SECTION 1: REPORT TO THE ELIGIBLE INVESTOR

By investing in the Bonds, you are hereby deemed to have acknowledged, represented and warranted to, and agree (as the case may be) for the benefit of the Arranger, as set out below:

High risk: You are fully aware that investment in the Bonds involves a high degree of risk.

Consultation with advisers: You have (i) consulted with your own legal, regulatory, tax, business, investment, financial and accounting advisers in connection herewith to the extent you have deemed necessary, (ii) collected and reviewed all information that you or your advisers believe is necessary or appropriate in connection with the purchase of the Bonds, and (iii) made your own investment decisions based upon your own judgment, due diligence and advice from such advisers as you have deemed necessary and not upon any view expressed by or on behalf of the Arranger.

No reliance: You acknowledge and agree that you may not rely on any investigation that the Arranger or any of its affiliates or any person acting on their behalf may have conducted with respect to the Issuer or any of their affiliates, and neither the Arranger nor its affiliates, employees, officers, directors, legal advisers or representatives have made any representation to you, express or implied, with respect to your investment in the Bonds.

Informed decision: You are in possession of all the information that you believe is necessary or appropriate in order to make an informed decision regarding your purchase of the Bonds, including without limitation, adequate information concerning the Issuer's business, financial condition, results of operations and prospects.

Knowledge and experience: You have such knowledge and experience in financial, business and international investment matters that you are capable of evaluating the merits and risks of purchasing the Bonds and are aware that you may be required to bear, and are able to bear, all risks including economic risk of an investment in the Bonds.

Information of the Company: You acknowledge that the information provided to you with regard to the Issuer and the Bonds in this Information Memorandum has been supplied to you by the Arranger only on behalf of the Issuer and that neither the Arranger nor any of its affiliates, employees, officers, directors, legal advisers or representatives has verified such information or makes any representation or warranty as to its accuracy or completeness.

Review of Information Memorandum: You have reviewed this Information Memorandum in its entirety, including the risks associated with investment in Bonds, and you understand and acknowledge all of the risks described herein. By investing in the Bonds, you have determined that:

- i. the Bonds are a suitable investment for you and your investment in the Bonds does not and will not, when consummated, violate any investment or other guidelines, policies or restrictions (corporate or otherwise), or any law, rule, regulation or order applicable to you; and
- ii. you have obtained all approvals and consents (whether internal or external) and have made all notifications necessary for you to invest in the Bonds as contemplated; and you can bear the economic risk of the investment and are able to sustain a complete loss in connection with your investment.

Own account: You are purchasing the Bonds for your own account and not with a view to any distribution thereof.

No representation or warranty: The Arranger has not made, and you have not relied upon any representation, warranty or condition (express and/or implied), and the Arranger shall not owe any duty whatsoever to you in connection with the Bonds.

No obligation to purchase: The Arranger shall have no obligation to purchase or acquire all or any part of the Bonds purchased by you or to support losses, if any, directly or indirectly sustained or incurred by you for any reason whatsoever in connection with the Bonds, including the non-performance by the issuance, whether to you or otherwise.

SECTION 2: RISK FACTORS AND MANAGEMENT PERCEPTION ABOUT RISK

The following matters should be considered carefully before making any investment decision with respect to the issuer or the Bonds. This Section contains a list of risks usually associated with the Issuer and the Bonds that it is issuing. The sequence in which the risks below are listed is not intended to be indicative of any order of priority or of the extent of their consequences. This list of risk factors is not meant to be a comprehensive description of all risks which may be relevant to a decision to invest in the Bonds. It does not take into consideration an investor's specific knowledge and/or understanding about the risks typically associated with the Issuer and the purchase and ownership of the Bonds. You are advised to review the risks below, if necessary, with the assistance of your own professional advisors, prior to making any investment decisions. If any of the risks described materialize, they could have a serious effect on the Issuer's financial results, and the ability of the Issuer to fulfill its obligations under the Bonds to be issued.

a) Interest Rate Risks

Interest Rate Risk can be defined as the risk of change in the value of an asset due to volatility in interest rates rendering the security in question non-competitive or increasing its value. Though the risk is said to arise due to an unexpected move, generally, investors are concerned with downside risk. This risk directly affects the fixed-rate security holder. Whenever the interest rate rises, the price of the fixed-income bearing security falls and vice-versa. For a bank, this risk arises from differences in the repricing profile, interest rate basis, and optionality of banking book assets, liabilities and off-balance sheet items. Interest Rate Risk represents an economic and commercial risk to the Bank and its capital adequacy.

Management's Perception

The vulnerability of an institution towards the advanced movement of the interest rate can be gauged by using Duration GAP under Stress Testing Analysis. Bank has also been exercising the Stress Testing using the Duration GAP for measuring the Interest Rate Risk on its On-Balance Sheet exposure for estimating the impact of the net change in the market value of equity on the Capital to Risk-Weighted Asset Ratio (CRAR) due to change in interest rates only on its On-Balance Sheet position (as the Bank holds no interest-bearing Off-Balance Sheet positions and or Derivatives). Under the assumption of three different interest rate changes, i.e., 1%, 2%, and 3%.

b) Foreign Exchange Risks with Risk Mitigation Policy

Foreign exchange risk is the risk that a business's financial performance or financial position will be impacted by fluctuations in the exchange rates between currencies. The risk can manifest itself through a bank's holdings of assets (or liabilities) with net payment streams denominated in a foreign currency. Foreign exchange rate fluctuations alter the domestic currency values of such assets. Foreign exchange risk is not confined to proprietary positions taken by a bank and client-driven transactions but can also arise from known profit flows in foreign currency, and provisions for bad debts denominated in foreign currency. It is important that these exposures are identified and, where necessary, hedged, on a timely basis with the proper mitigants in place.

Management's Perception

The treasury division independently conducts the transactions, and the back office is responsible for verifying the deal and passing on necessary accounting entries. As advised by Bangladesh Bank on month-end all foreign exchange-related transactions are revalued at mark-to-market rate. All Nostro accounts are reconciled on a daily

basis and outstanding entries beyond 30 days are reviewed by management for settlement. It is mentionable that bank management is looking forward to establishing treasury mid-office to effectively perform the reconciliation activities. Similar to credit risk, RMU is in the process of implementation of Value-at-Risk (VaR) to assess the foreign exchange risk more effectively.

c) Non-repayment Risks

Non-repayment risk is defined as the potential risk that a bank's borrower or counterparty may fail to meet its obligations in accordance with agreed terms, resulting in an adverse impact on the quality of the bank's assets and profitability. Non-repayment risk also refers to the bank's risk of having its cash flows interrupted when a borrower fails to make their repayment. Such a scenario results into having the loan classified in separate categories, the extreme one being Non-Performing Loans (NPL) which adversely impacts the bank's profitability due to higher required provisioning.

In the case of an unpaid loan, non-repayment risk can result in the loss of both interest on the debt and unpaid principal, whereas in the case of an unpaid account receivable, there is no loss of interest. In both cases, the party granting the credit may also incur incremental collection costs.

Management's Perception

To ensure portfolio health, the bank has distributed the overall credit concentration among different segments/industries/trading. For example, branches are primarily responsible for sourcing potential clients and initiate limit (credit) approval process for review of Credit Division (CD), this division (CD) ensure the quality of credit proposal before limit approval, a separate division known as Credit Administration Monitoring and Recovery Division (CAMRD) monitors the documentation aspects of approved credits and finally, the Law Division manages the deteriorated accounts. It is mentionable that the bank has its own credit risk management guidelines. All other remaining risks in regard to the credit portfolio are addressed by the Risk Management Division (RMD), the primary responsibility of this unit is to identify and assess the severity of risks and highlight the same to the management for strategic decision making.

d) Pre-payment, Call or Refunding Risks

Call risk is the risk that the bond an investor has invested in will be redeemed by the issuer before its maturity date, thereby raising the risk for the investor, as they would have to reinvest the redeemed amount at a much lower rate or in an unfavorable investing market scenario. If the bond is called at or close to par value, as is usually the case, investors who paid a premium for their bond also risk a loss of principal. In reality, prices of callable bonds are unlikely to move much above the call price if lower interest rates make the bond likely to be called.

Management's Perception

The bond that Trust Bank intends to issue is non-callable, thus mitigating such risk.

e) Security Risks

The risk of loss arising from errors in nature, quantity, pricing, or characteristics of collateral securing a transaction with credit risk. Institutions that actively accept and deliver collateral and are unable to manage the process accurately are susceptible to loss.

Management's Perception

Since this is an unsecured debt, this particular risk is not applicable here.

f) Liquidity Risks

Liquidity is a bank's ability to meet its cash and collateral obligations without sustaining unacceptable losses. Liquidity risk refers to how a bank's inability to meet its obligations (whether perceived or not) threatens its

financial position or existence. Institutions manage their liquidity risk through effective asset liability management (ALM).

Management's Perception

The management of Trust Bank is well aware of the risks involving liquidity constraints and is capable of handling such risks by practicing modern Asset Liability Management (ALM) techniques. The ALM committee regularly monitors the overall liquidity position of the bank and proactively makes policy changes in the due course of time. Therefore, it is highly unlikely that the bondholders will face any material loss from liquidity risk.

g) Management Risks

The risk associated with the management in charge of running the company, ineffective, myopic, or inadequate strategies undertaken by the management hurt the shareholders and in turn, expose the company to management risk. Lack of proper succession planning and experience of the management are also some key variables in considering the said risk.

Management's Perception

Trust Bank PLC's management comprises a group of highly professional individuals with considerable experience and reputation in the country's financial industry. Therefore, it is very unlikely that the management will conduct in such an unprofessional manner. Moreover, the management of the bank is constantly supervised by a board of directors consisting of seasoned professionals and entrepreneurs who work hard to ensure that the interest of all the stakeholders is served by management. Being operated in the highly regulated banking industry is also a safeguard against this risk as Bangladesh Bank monitors the management to ensure best practice in the industry.

h) Operational Risk

Operational risk is the risk of loss due to failed internal processes or external events at an organization. Operational risk involves the legal and compliance risks in response to the disruption of day-to-day business operations. It also involves risk of losses suffered by the institutions stemming from the operational errors or mismatches in the process flows inherent in the lines of businesses.

Due to rising customer expectations, increasing regulatory requirements, proliferating financial engineering, uprisings technological innovation and mounting competition, banks and financial institutions are undergoing changes. This has increased the probability of failure or mistakes from the operational point of view that can result in increased focus on managing operational risks.

Management's Perception

Internal control and internal audit systems are used as the primary means. Trust Bank PLC manages this risk through a control-based environment in which processes are documented, authorization is independent, and transactions are reconciled and monitored. This is supported by an independent program of periodic reviews undertaken by internal audit, and by monitoring external operational risk events, which ensure that the bank stays in line with industry best practices and takes account of lessons learned from publicized operational failures within the financial services industry.

Trust Bank PLC has operational risk management process which explains how the bank manages its operational risk by identifying, assessing, monitoring, controlling, and mitigating the risk, rectifying operational risk events, and implementing any additional procedures required for compliance with central bank requirements. Operational risk management responsibility is assigned to a different level of management within the business operation. Information systems are used to record the identification and assessment of operational risks and to generate appropriate regular management reporting.

Risk assessment incorporates a regular review of identified risks to monitor significant changes. On top of that, as part of recent development, the bank is in the process of adopting of globally recognized operational risk assessment tools, e.g., Risk Control Self-Assessment for assessment of all possible operational risk and adoption of Key Risk Indicator (KRI) to help the bank to set operational risk trigger parameters.

i) Business Risks

Business risk is the possibility that an organization's operations or competitive environment will cause it to generate financial results that are worse than expected. An entity with high business risk should be operated in a more conservative manner, keeping the debt level as low as possible. Business risk is influenced by a lot of factors, including revenue, costs, competition, and overall economic climate and government regulations.

Management's Perception

Trust Bank PLC. has a robust risk management system to counter any adverse business risk and to maneuver in a hostile business environment. Most business risks have been covered in Credit, Liquidity, and Interest Rate Risk. To counter and mitigate business risk, the following measures are in place:

- Regular review of the impact of the global economic meltdown and take appropriate measures
- Innovative and convenient financial products and services
- Taking prompt action on customer complaints.
- Frequent assessment of clients' satisfaction.
- Regular review of performance against budget and targets.
- Review and analysis of competitors' performance.

Prevention of risk by forecasting future market conditions gives Trust Bank PLC. a competitive edge over other competitors in the local market. In order to mitigate prospective risks of the market, the equity and research team regularly assesses the market information. This assessment updates the Management about the current market situation, growth of certain industries, current global phenomena, the price index of raw materials, refinance scheme taken by the central bank, and regulatory steps taken by various regulatory bodies. This also helps to make a future prediction on any industry and the market as a whole.

j) Industry Risks

Industry risk is the systematic risk inherent in a particular industry affecting all the entities. The risk can manifest itself through increased competition in the industry, threats of substitutes, bargaining power of supply chain entities etc. Macro-economic conditions also impact the ecosystem of the industry a particular company is a part of. Specially for the financial sector, there can be certain economic events or anomalies that adversely affect the industry sending it on a decline.

Management's Perception

Trust Bank PLC. has always been careful in offering innovative, convenient, and cost-effective financial products and services which in turn minimizes its industry risk exposure. Since it has a wide Networks, the bank contributes significantly in harnessing deposits by launching different attractive schemes befitting the requirement of different segments of customers. The bank actively encourages feedback from the customers and regards complaints as constructive comments that help to build customer relationships and improve business. The Bank has also succeeded in diversifying its business portfolio across the thrust sectors of the economy and always takes special care for superior value addition in its services to clients.

k) Market and Technology-related Risks

Market risk can be defined as the risk of losses in on and off-balance sheet positions arising from adverse movements in market prices. Market risk stems from all the positions included in the Bank's trading book, foreign exchange risk as well as from commodity positions.

Technology risk, or information technology risk, is the potential for any technology failure to disrupt the flow of a Bank's business. Banks face many types of technology risks, such as information security incidents, cyberattacks, password theft, service outages, and more. Every type of technology risk has the potential to cause financial, reputational, regulatory, and/or strategic risk. As such, it's critical to have an effective technology risk management strategy in place to anticipate potential problems.

Management's Perception

Over the last few years, Trust Bank PLC. had taken different initiatives to minimize ICT risks. Throughout the year, the bank had initiated different projects considering Risk Management into consideration. We have established our Data Center at IT Division, Head Office, and Disaster Recovery Center at Uttara, Dhaka. Banking Data of our all the Online Branches are being stored both at our Data Center and Disaster Recovery Center simultaneously to ensure business continuity even in disaster.

Moreover, we have recently added an Exadata storage solution for enhancing the storage capacity of our Data Center and Disaster Recovery Center that assured uninterrupted data availability for end-users and proliferated period end data processing speed. The audit recommendations and suggestions were considered and accordingly steps were taken to minimize associated ICT Risks. Bank has arranged awareness programs and trainings on the field of ICT Risk and its mitigation for both business and technical human resources, from top management to the trainee officers. The idea behind this practice was to increase the average ICT knowledge of the Bank through which the probability of occurrence of policy noncompliance in the Bank will be minimized.

The Treasury Division manages market risk covering liquidity, profit rate, and foreign exchange with oversight from the Asset Liability Management Committee (ALCO) comprising Senior Executives of the Bank. ALCO is headed by the Managing Director.

l) Risks related to potential or existing Government Regulations

Excessive growth of risk weighted assets against the growth of eligible regulatory capital of Trust Bank Limited might breach the Bangladesh Bank's criteria of minimum capital requirement. Also, the Bank might fail to comply with the laws, regulations or codes applicable to the financial services industry.

Management's Perception

Unless any policy change may negatively and significantly affect the industry as a whole, the business of the bank is expected not to be affected materially. Like all scheduled banks in Bangladesh, Trust Bank PLC. has been funding their assets from their deposits after maintaining the required SLR including CRR has the bank has been consistently compliant to any such changes.

The bank is capable of dealing with the consequences of unfavorable policy or regulatory changes made by the government. The Government is taking initiatives to improve the attractiveness of the country as an investment destination. Accordingly, it is expected that any changes to the existing laws will seek to improve the overall business and investment environment.

m) Risks related to potential changes in Global or National Policies

Risk associated with any potential global issues (i.e., a global financial crisis or a massive volatility in an international currency) or a national policy change (i.e., regulatory changes made by the Bangladesh Bank or the Bangladesh Securities and Exchange Commission).

Management's Perception

Since this security would be issued in the local market, potential global changes are unlikely to have any impact. Since this security would be issued in the local market, potential global changes are unlikely to have any impact on the security issued. Moreover, Trust Bank PLC. has a robust risk management team and has the capability to adapt to any global scenario that might affect the local market in the security issued. The Trustee will hold the benefit of this covenant and the covenants in Clause 11.3 (Covenant to comply with Trust Deed, Conditions Schedules, and applicable law) and Clause 11.4 (Covenants by the Issuer) on trust for the Bondholders.

Following an Event of Default

At any time after any Event of Default shall have occurred, the Trustee may:

by notice in writing to the Issuer, require it to make all subsequent payments in respect of Bonds to or to the order of the Trustee and with effect from the issue of any such notice until such notice is withdrawn, sub-clause 11.1.1 of Clause 11.1 (Covenant to Repay) and (so far as it concerns payments by the Issuer) Clause: (Payment to Bondholders) shall cease to have effect.

Covenant to comply with Trust Deed, Conditions, Schedules and applicable law

The Issuer hereby covenants with the Trustee to comply with, perform and observe all those provisions of this Trust Deed, the Conditions (including, without limitation, Condition 5 (Covenants)) and the other Schedules which are expressed to be binding on it and to perform and observe the same. The Bonds are subject to the provisions contained in this Trust Deed, all of which shall be binding upon the Issuer and the Bondholders and all persons claiming through or under them respectively. The Bondholders and all persons claiming under or through them respectively will also be entitled to the benefit of, and will be bound by, this Trust Deed and the other Bond Documents and will be deemed to have notice of all of the provisions of the Bond Documents applicable to them.

The Issuer hereby covenants with the Trustee to comply with, perform and observe all those provisions of the applicable law including but is not limited to Bangladesh Securities and Exchange Commission (Debt Securities) Rules 2021. The Issuer agrees that Bondholders and all persons claiming under or through them respectively will also be entitled to the benefit of, and will be bound by, the applicable law and will be deemed to have notice of all of the provisions of the applicable law applicable to them.

The Trustee shall itself be entitled to enforce the obligations of the Issuer under the Bonds and the Conditions and the applicable law as if the same were set out and contained in this Trust Deed which shall be read and construed as one document with the Bonds.

Covenants by the Issuer

The Issuer hereby covenants with the Trustee that, so long as any of the Bonds remain outstanding, it will:

Books of account:

At all times keep and procure that all its Subsidiaries keep such books of account as may be necessary to comply with all applicable laws and so as to enable the financial statements of the Issuer to be prepared and allow, subject to confidentiality obligations under applicable law, the Trustee and any person appointed by it free access to the same at all reasonable times and to discuss the same with responsible officers of the Issuer;

Event of Default:

Give notice in writing to the Trustee forthwith upon becoming aware of any Event of Default and without waiting for the Trustee to take any further action;

Corporate Governance:

Comply (and shall ensure that each member of the Group will) in all material respects with the corporate governance guidelines set out by the Bangladesh Bank and the Bangladesh Securities and Exchange Commission.

Information:

So far as permitted by applicable law, at all times give to the Trustee such information, opinions, certificates and other evidence as it shall require and, in such form, as it shall require in relation to Issuer for the performance of its obligations under the Bond Documents;

SECTION 8: RIGHTS AND OBLIGATION OF THE TRUSTEE

Rights and Obligations of the Trustee have been incorporated from the Trust Deed executed between the Issuer (Trust Bank PLC.) and the Trustee (DBH Finance PLC.).

Trustee's Rights

Applicable Law: Notwithstanding anything contained in this Trust Deed the Trustee shall have all such rights and powers granted to it under the applicable law including but is not limited to Bangladesh Securities and Exchange Commission (Debt Securities) Rules 2021.

- **Advice:** The Trustee may in relation to this Trust Deed act on the opinion or advice of or a certificate or any information obtained from any lawyer, banker, valuer, surveyor, broker, auctioneer, accountant or other expert (whether obtained by the Trustee, the Issuer, or any Subsidiary) and which advice or opinion may be provided on such terms (including as to limitations on liability) as the Trustee may consider in its sole discretion to be consistent with prevailing market practice with regard to advice or opinions of that nature and shall not be responsible for any Liability occasioned by so acting; any such opinion, advice, certificate or information may be sent or obtained by letter, telegram, telex, cablegram or facsimile transmission;
- **Resolution or direction of Bondholders:** the Trustee shall not be responsible for acting upon any resolution purporting to be a Written Resolution or to have been passed at any meeting of the Bondholders in respect whereof minutes have been made and signed or a direction of a specified percentage of Bondholders, even though it may subsequently be found that there was some defect in the constitution of the meeting or the passing of the resolution or the making of the directions or that for any reason the resolution purporting to be a Written Resolution or to have been passed at any Meeting or the making of the directions was not valid or binding upon the Bondholders;
- **Trustee not responsible for investigations:** save as otherwise provided by applicable law, the Trustee shall not be responsible for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any person contained in this Trust Deed, the Bonds, or any other agreement or document relating to the transactions herein or therein contemplated or for the execution, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence thereof;
- **Entry on the Register:** the Trustee shall not be liable to the Issuer or any Bondholder by reason of having accepted as valid or not having rejected any entry on the Register later found to be forged or not authentic and can assume for all purposes in relation hereto that any entry on the Register is correct.
- **Events of Default:** save as otherwise provided by applicable law, until it shall have actual knowledge or express notice to the contrary, the Trustee shall be entitled to assume that no such Event of Default has happened and that the Issuer is observing and performing all the obligations on its part contained in the Bonds and under this Trust Deed and no event has happened as a consequence of which any of the Bonds may become repayable; and
- **Right to Deduct or Withhold:** notwithstanding anything contained in this Trust Deed, to the extent required by any applicable law, if the Trustee is or will be required to make any deduction or withholding from any distribution or payment made by it hereunder or if the Trustee is or will be otherwise charged to, or is or may become liable to, tax as a consequence of performing its duties hereunder whether as principal, agent or otherwise, and whether by reason of any assessment, prospective assessment or other imposition of liability to taxation of whatsoever nature and whenever made upon the Trustee, and

whether in connection with or arising from any sums received or distributed by it or to which it may be entitled under this Trust Deed (other than in connection with its remuneration as provided for herein) or any investments or deposits from time to time representing the same, including any income or gains arising therefrom or any action of the Trustee in connection with the trusts of this Trust Deed (other than the remuneration herein specified) or otherwise, then the Trustee shall be entitled to make such deduction or withholding or, as the case may be, to retain out of sums received by it an amount sufficient to discharge any liability to tax which relates to sums so received or distributed or to discharge any such other liability of the Trustee to tax from the funds held by the Trustee upon the trusts of this Trust Deed.

- **Liability:** The Trustee shall not be liable to any person for any matter or thing done or omitted in any way in connection with or in relation to this Trust Deed or the Bonds saved in relation to its own gross negligence, wilful default or fraud. This Clause 6.1.8 shall survive the termination or expiry of this Trust Deed or the removal or termination of the Trustee.
- **Force Majeure:** The Trustee shall not be liable for any failure or delay in the performance of its obligations under this Trust Deed or any other Bond Document because of circumstances beyond such Trustee's control, including, without limitation, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, labour disputes, any laws, ordinances, regulations or the like which restrict or prohibit the performance of the obligations contemplated by this Trust Deed or any other Bond Document, inability to obtain or the failure of equipment, or interruption of communications or computer facilities, and other causes beyond such Trustee's control whether or not of the same class or kind as specifically named above.
- **Immunities:** The Trustee's immunities and protection from liability and its right to indemnification in connection with the performance of its duties under this Trust Deed shall extend to the Trustee's officers, directors and employees. Such immunities and protections and the right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the defeasance or discharge of this Trust Deed and final payment of the Bonds. The Issuer acknowledges that in any proceedings taken in relation to this Trust Deed, it will not be entitled to claim for itself or any of its assets' immunity from suit, execution, attachment or other legal process.
- **Professional charges:** any trustee being a banker, lawyer, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges for business transacted and acts done by him or his partner or firm on matters arising in connection with the trusts of this Trust Deed and also his properly incurred charges in addition to disbursements for all other work and business done and all time spent by him or his partner or firm on matters arising in connection with this Trust Deed, in each case as agreed pursuant to the Fee Letter (including matters which might or should have been attended to in person by a trustee not being a banker, lawyer, broker or other professional person);
- **Expenditure by the Trustee:** nothing contained in this Trust Deed shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of any right, power, authority or discretion hereunder if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it; and

Trustee's discretion: the Trustee shall (save as expressly otherwise provided herein) as regards all the trusts, powers, authorities and discretions vested in it by this Trust Deed or by operation of law, have absolute and uncontrolled discretion as to the exercise or non-exercise thereof and the Trustee shall not be responsible for any liability that may result from the exercise or non-exercise thereof (save as otherwise provided by applicable law) but whenever the Trustee is under the provisions of this Trust Deed bound to act at the request or direction of the Bondholders, the Trustee shall nevertheless not be so bound unless first indemnified and/or provided with security to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing;

Trustee's consent: any consent given by the Trustee for the purposes of this Trust Deed may be given on such terms and subject to such conditions (if any) as the Trustee may require;

Application of proceeds: the Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Bonds;

Error of judgment: the Trustee shall not be liable for any error of judgment made in good faith applying due diligence and without negligence by any officer or employee of the Trustee assigned by the Trustee to administer its corporate trust matters, save in relation to its own gross negligence, will default or fraud.

Agents: Subject to the provisions of the Trust Act 1882 and Bangladesh Securities and Exchange Commission (Debt Securities) Rules 2021, the Trustee may, in the conduct of the trusts of this Trust Deed instead of acting personally, employ and pay an agent on any terms, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money) with the consent of Issuer and the Trustee shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of any such person provided that the Trustee had exercised reasonable care in the appointment of such person;

Confidential information: the Trustee shall not (unless required by law or ordered so to do by a court of competent jurisdiction) be required to disclose to any Bondholder confidential information or other information made available to the Trustee by the issuer in connection with this Trust Deed and no Bondholder shall be entitled to take any action to obtain from the Trustee any such information.

Determination of Coupon Rate: the Trustee shall determine the Applicable Coupon Rate in accordance with Condition of the Bond.

Exercise of Discretion

Notwithstanding anything in this Trust Deed to the contrary, the Trustee shall not be obliged to exercise or consider exercising any discretion or consider making or make any determination (including, without limitation, any determination as to whether any fact or circumstance or activity or thing is material or substantial or complies with some such similar quantitative standard) or to consider taking or take any action whatsoever in connection with or under or pursuant to the Bonds unless directed to do so by the holders of not less than 66 2/3 percent in principal amount of the Bonds then outstanding or if so directed by an Extraordinary Resolution of Bondholders (subject in all cases to the Trustee having been indemnified or provided with security to its satisfaction and otherwise being satisfied that it is lawful for it to so exercise discretion, make a determination or otherwise take any action). Such direction shall specify the way in which the Trustee shall exercise such discretion or, as the case may be, make the determination or take the action to be taken by the Trustee.

Section 13: Auditor's Report and Audited Financial Statements of the issuer, Trust Bank PLC.

Detailed Audited Financial statements of Trust Bank PLC. for the period ended 31 December 2024 have been annexed with this Information Memorandum. Please see **Annexure-1**

**ম্যাবস এন্ড জে পার্টনার্স**
MABS & J Partners
Chartered Accountants**Independent Auditor's Report****To the Shareholders of Trust Bank PLC.****Report on the Audit of the Consolidated and Separate Financial Statements****Opinion**

We have audited the consolidated financial statements of Trust Bank PLC. and its subsidiaries (the "Group") as well as the separate financial statements of Trust Bank PLC. (the "Bank"), which comprise the consolidated and separate Balance Sheets as at 31 December 2024, and consolidated and separate Profit and Loss Accounts, consolidated and separate statement of Changes in Equity, and consolidated and separate Cash Flow Statements for the year then ended, and notes to the consolidated and separate financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated Balance Sheet of the Group and the separate Balance Sheet of the Bank as at 31 December 2024, and of its consolidated and separate Profit and Loss Accounts and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note # 2 and comply with the Banking Companies Act, 1991 (as amended up to date), the Companies Act, 1994, the rules and regulations issued by the Bangladesh Bank, the rules and regulations issued by the Bangladesh Securities & Exchange Commission (BSEC) and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC), and Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated and separate financial statements for the financial year 2024. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and informing auditor opinion thereon, and we do not provide a separate opinion on these matters. For each matter described below our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatements of the financial statements. These results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Description of key audit matters	Our response to key audit matters
Measurement of provision for loans and advances	
With reference to Note 12.1 to the financial statements, the process for calculating the provision for loans and advances/investments portfolio associated with credit risk is significant and complex. The Bank calculates provision for loans and advances/investments by considering various factors such as rate of provision, loan category, expiry date, outstanding balance, interest suspense amount, value of eligible collateral as per BRPD circular no. 14 dated 23 September 2012 and its subsequent amendments. In Bangladesh, non-performing loans have been increasing day by day. Banks need to maintain provisions for additional non-performing loans in line with the central bank's guidelines. The Bank identifies impaired loan accounts and calculates required provisions manually. Furthermore, management has incentive to maintain lower provisions for loans and advances to overstate profit. Considering these factors, we have considered measurement of provision for loans and advances/investments as significant risk as well as a key audit matter. At the year end of 2024 the Group reported total gross loans and advances of BDT 379.14 billion (2023: BDT 333.79 billion) and in 2024 the Bank reported total gross loans and advances of BDT 378.24 billion (2023: BDT 332.70 billion) whereas at the year end of 2024	We tested the design and operating effectiveness of key controls focusing on the following: • Credit appraisal, loan disbursement procedures, monitoring and provisioning process; • Identification of loss events, including early warning and default warning indicators; • Review of quarterly Classification of Loans (CL). Our substantive procedures in relation to the provision for loans and advances portfolio comprised the following: For confirming the classification of rescheduled lease, loans and advances, we performed the following procedures: • We checked the no. of instalments outstanding and compliance with BRPD Circular No. 16 dated 18 July 2022; • Reviewed the appropriateness of the approvals for the transfer of interests to the Income account in accordance with the Bangladesh Bank's guidelines; • Reviewed the adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines. Reviewed the grounds for recommendations for approvals in cases of transfer of interests to Income account; • Tested the inputs in computation of provision in terms of testing the accuracy of underlying information; • Assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information;

the Group reported total provision for loans and advances of BDT 18.40 billion (2023: BDT 14.11 billion) and the Bank reported total provision for loans and advances of BDT 17.78 billion (2023: BDT 13.49 billion).	• Checked the adequacy of the Bank's general and specific provisions. • Evaluated the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.
See note nos. 7, 7.a and 12.01 to the financial statements	

Recognition of interest income on loans and advances

Recognition of interest income has significant and wide influence on financial statements. Recognition and measurement of interest income has involvement of complex IT environments.	We tested the design and operating effectiveness of key controls over recognition and measurement of interest on loans, advances and leases.
We identify recognition of interest income from loans, advances and leases as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in recognition of interest by management to meet specific targets or expectations.	We performed test of operating effectiveness on automated control in place to measure and recognise interest income.
	We have also performed substantive procedures to check whether interest income is recognised completely and accurately.
	We assessed the appropriateness and presentation of disclosure against relevant accounting standards and Bangladesh Bank guidelines.

See note no. 20 and 20.01 to the financial statements

Valuation of treasury bill and treasury bond

The classification and measurement of T-Bill and T-Bond require judgment and complex estimates.	We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and bonds.
In the absence of a quoted price in an active market, the fair value of T-Bills and T-Bonds is determined using complex valuation techniques which may take into consideration direct or indirect unobservable market data and complex pricing models which require an elevated level of judgment.	We obtained an understanding, evaluated the design and tested the operating effectiveness of the key controls over the treasury bills and bonds valuation processes, including controls over market data inputs into valuation models, model governance and valuation adjustments.
	We tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.
	Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

Impairment assessment of unquoted investments	
In the absence of a quoted price in an active market, the fair value of unquoted shares and bonds, especially any impairment is calculated using valuation techniques that may take into consideration direct or indirect unobservable market data and hence require an elevated level of judgment.	We have assessed the processes and controls put in place by the Bank to ensure all major investment decisions are undertaken through a proper due diligence process. We tested a sample of investments valuation as at 31 December 2024 and compared our results to the recorded value. Finally, we assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.
See note nos. 6 and 6.2.1 & 6.2.2 to the financial statements.	
Measurement of Deferred Tax	
We identified the measurement of deferred tax assets/liabilities as a key audit matter due to the recognition of these assets/liabilities involving judgement by management as to the likelihood of the realization of these deferred tax assets/liabilities, which is based on a number of factors including whether there will be sufficient taxable profits in future periods to support recognition. The Bank disclosed deferred tax assets and deferred tax liabilities of BDT 136 million (2023: BDT 104 million) and BDT 00 million (2023: BDT 00 million) respectively as of 31 December 2024. The Bank disclosed net deferred tax assets of BDT 136 million (2023: BDT 104 million) as of 31 December 2024.	Our procedures in relation to management's assessment about the measurement of deferred tax assets/liabilities included: - Evaluating management's assessment on the sufficiency of future taxable profits in support of the recognition of deferred tax by comparing management's forecasts of future profits to historical results and evaluating the assumptions used in those forecasts; - Obtaining the communications between the Bank and taxation authorities regarding tax positions; and - Assessed the appropriateness and presentation of disclosures against IAS 12 Income Tax.
See note no. 9.4.1 and 9.4.1.2 to the financial statements.	
IT systems and controls	
Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.	We conducted extensive testing to assess the design and operating effectiveness of the Bank's IT access controls over critical financial reporting systems. Our audit procedures included evaluating IT general controls, particularly focusing on logical access, change management, and IT operational controls.

Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring IT dependent and application-based controls are operating effectively.	We tested whether requests for access to systems were appropriately reviewed and authorized, ensuring that only authorized personnel had access to sensitive financial data. Additionally, we examined the Bank's periodic review process for access rights and assessed whether changes to systems were properly approved and authorized to prevent unauthorized modifications. As part of our audit, we also evaluated the Bank's control environment concerning system interfaces, configurations, and application-layer controls that were identified as critical to financial reporting accuracy. Given the significance of IT application controls in ensuring the integrity of automated financial processes, we tested key application-based controls, including system-generated reports, automated journal entries, and validation mechanisms that support transaction processing. This involved assessing whether these automated controls were functioning as intended and whether their outputs were reliable for financial reporting purposes. Furthermore, we performed detailed tests on IT general controls to assess the effectiveness of application development processes, database security, and hosting platform management. We also evaluated the segregation of incompatible duties relevant to application and database change management to determine whether adequate controls were in place to prevent unauthorized access or modifications.
Legal and regulatory matters We focused on this area because the Bank and its subsidiaries (the "Group") operate in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict. These uncertainties inherently affect the amount and timing of potential outflows with	We obtained an understanding, evaluated the design and tested the operational effectiveness of the Bank's key controls over the legal provision and contingencies process. We enquired to those charged with governance to obtain their view on the status of all significant litigation and regulatory matters.

respect to the provisions which have been established as other contingent liabilities.	We enquired of the Bank's internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports.
Overall, the legal provision represents the Group's and the Bank's best estimate for existing legal matters that have a probable and estimable impact on the Group's financial statement.	We assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information.
	We also assessed the Bank's provisions and contingent liabilities disclosure.

Other information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the consolidated and separate financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Bank in accordance with IFRSs as explained in note 2 and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 2020, the Bank Company Act 1991 (as amended up to date), the Financial Reporting Act 2015, and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibility section in forming the above opinion on the consolidated financial statements and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:
 - (a) internal audit, internal control and risk management arrangements of the Group as disclosed in the financial statements appeared to be materially adequate;
 - (b) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and its related entities (other than matters disclosed in these financial statements);
- (iii) the consolidated financial statements of the Bank include three subsidiaries, namely Trust Bank Securities Limited has been audited by Islam Quazi Shafique & Co., Chartered Accountants, Trust Bank Investment PLC has been audited by Shafiq Basak & Co. Chartered Accountants, and Trust Axiata Digital Limited was unaudited. The results of these subsidiaries, as per their financial statements (audited in the case of first two subsidiaries and unaudited in the case of the last one) made available to us by the Bank, have been reflected in the Group's consolidated financial statements from the financial statements of these subsidiaries as have been made available to us by the management of the Bank;
- (iv) in our opinion, proper books of account as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books;

SECTION 18: Description Of Trustee

DBH Finance PLC., formerly known as Delta Brac Housing Finance Corporation Ltd. is the pioneer, largest, and specialist Housing Finance Institution in the private sector of the country. After commencing operation in 1996, the company has registered commendable growth in creating home ownership in Dhaka and other major cities of the country. At the same time, the company has been playing an active role in promoting the real estate sector to the large cross-sections of prospective clients who had but yet unfulfilled dreams of owning a home.

Among all Banks and Financial Institutions of Bangladesh, only DBH has been rated the highest 'AAA' credit rating for 19th consecutive years. The level of credit rating provides a very important indication of the financial safety, security and strength of the Bank or Financial Institution concerned and is particularly relevant to its depositors and other investors such as shareholders and lenders.

- Authorized Capital: BDT 4,000 million (as of 31 December 2024)
- Paid-up Capital: BDT 1,989 million (as of 31 December 2024)
- Net Worth: BDT 9,398 million (as of 31 December 2024)

Vision:

To be the leading financial institution in the country with satisfied customers and employees and to generate value for our shareholders while contributing to the well-being of society

Mission:

To strengthen the society of the country by continually expanding home ownership

Strategic Objective:

- Focus on building deep and long-standing relationships with our clients, customers as real-estate developers, and constantly look to improve the quality of our products services.
- Focus on developing our human resource talents.
- Ensure balanced growth with a disciplined approach to the management of risks and costs
- Ensure adequate capital and liquidity to sustain our business over the long term

Independent Auditor's Report

To the Shareholders of Trust Bank PLC.

Report on the Audit of the Consolidated and Separate Financial Statements

Opinion

We have audited the consolidated financial statements of **Trust Bank PLC.** and its subsidiaries (the "Group") as well as the separate financial statements of **Trust Bank PLC.** (the "Bank"), which comprise the consolidated and separate Balance Sheets as at 31 December 2024, and consolidated and separate Profit and Loss Accounts, consolidated and separate statement of Changes in Equity, and consolidated and separate Cash Flow Statements for the year then ended, and notes to the consolidated and separate financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated Balance Sheet of the Group and the separate Balance Sheet of the Bank as at 31 December 2024, and of its consolidated and separate Profit and Loss Accounts and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note # 2 and comply with the Banking Companies Act, 1991 (as amended up to date), the Companies Act, 1994, the rules and regulations issued by the Bangladesh Bank, the rules and regulations issued by the Bangladesh Securities & Exchange Commission (BSEC) and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC), and Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated and separate financial statements for the financial year 2024. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and informing auditor opinion thereon, and we do not provide a separate opinion on these matters. For each matter described below our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatements of the financial statements. These results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Description of key audit matters	Our response to key audit matters
Measurement of provision for loans and advances	
With reference to Note 12.1 to the financial statements, the process for calculating the provision for loans and advances/investments portfolio associated with credit risk is significant and complex. The Bank calculates provision for loans and advances/investments by considering various factors such as rate of provision, loan category, expiry date, outstanding balance, interest suspense amount, value of eligible collateral as per BRPD circular no. 14 dated 23 September 2012 and its subsequent amendments. In Bangladesh, non-performing loans have been increasing day by day. Banks need to maintain provisions for additional non-performing loans in line with the central bank's guidelines. The Bank identifies impaired loan accounts and calculates required provisions manually. Furthermore, management has incentive to maintain lower provisions for loans and advances to overstate profit. Considering these factors, we have considered measurement of provision for loans and advances/investments as significant risk as well as a key audit matter. At the year end of 2024 the Group reported total gross loans and advances of BDT 379.14 billion (2023: BDT 333.79 billion) and in 2024 the Bank reported total gross loans and advances of BDT 378.24 billion (2023: BDT 332.70 billion) whereas at the year end of 2024	We tested the design and operating effectiveness of key controls focusing on the following: • Credit appraisal, loan disbursement procedures, monitoring and provisioning process; • Identification of loss events, including early warning and default warning indicators; • Review of quarterly Classification of Loans (CL). Our substantive procedures in relation to the provision for loans and advances portfolio comprised the following: For confirming the classification of rescheduled lease, loans and advances, we performed the following procedures: • We checked the no. of instalments outstanding and compliance with BRPD Circular No. 16 dated 18 July 2022; • Reviewed the appropriateness of the approvals for the transfer of interests to the Income account in accordance with the Bangladesh Bank's guidelines; • Reviewed the adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines. Reviewed the grounds for recommendations for approvals in cases of transfer of interests to Income account; • Tested the inputs in computation of provision in terms of testing the accuracy of underlying information; • Assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information;

the Group reported total provision for loans and advances of BDT 18.40 billion (2023: BDT 14.11 billion) and the Bank reported total provision for loans and advances of BDT 17.78 billion (2023: BDT 13.49 billion).	• Checked the adequacy of the Bank's general and specific provisions; • Evaluated the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.
See note nos. 7, 7.a and 12.01 to the financial statements	

Recognition of interest income on loans and advances

Recognition of interest income has significant and wide influence on financial statements. Recognition and measurement of interest income has involvement of complex IT environments.	We tested the design and operating effectiveness of key controls over recognition and measurement of interest on loans, advances and leases.
We identify recognition of interest income from loans, advances and leases as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in recognition of interest by management to meet specific targets or expectations.	We performed test of operating effectiveness on automated control in place to measure and recognise interest income.
	We have also performed substantive procedures to check whether interest income is recognised completely and accurately.
	We assessed the appropriateness and presentation of disclosure against relevant accounting standards and Bangladesh Bank guidelines.

See note no. 20 and 20.01 to the financial statements

Valuation of treasury bill and treasury bond

The classification and measurement of T-Bill and T-Bond require judgment and complex estimates.	We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and bonds.
In the absence of a quoted price in an active market, the fair value of T-Bills and T-Bonds is determined using complex valuation techniques which may take into consideration direct or indirect unobservable market data and complex pricing models which require an elevated level of judgment.	We obtained an understanding, evaluated the design and tested the operating effectiveness of the key controls over the treasury bills and bonds valuation processes, including controls over market data inputs into valuation models, model governance and valuation adjustments.
	We tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.
	Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

Impairment assessment of unquoted investments

In the absence of a quoted price in an active market, the fair value of unquoted shares and bonds, especially any impairment is calculated using valuation techniques that may take into consideration direct or indirect unobservable market data and hence require an elevated level of judgment.

We have assessed the processes and controls put in place by the Bank to ensure all major investment decisions are undertaken through a proper due diligence process. We tested a sample of investments valuation as at 31 December 2024 and compared our results to the recorded value.

Finally, we assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

See note nos. 6 and 6.2.1 & 6.2.2 to the financial statements

Measurement of Deferred Tax

We identified the measurement of deferred tax assets/liabilities as a key audit matter due to the recognition of these assets/liabilities involving judgement by management as to the likelihood of the realization of these deferred tax assets/liabilities, which is based on a number of factors including whether there will be sufficient taxable profits in future periods to support recognition.

The Bank disclosed deferred tax assets and deferred tax liabilities of BDT 136 million (2023: BDT 104 million) and BDT 00 million (2023: BDT 00 million) respectively as of 31 December 2024. The Bank disclosed net deferred tax assets of BDT 136 million (2023: BDT 104 million) as of 31 December 2024.

Our procedures in relation to management's assessment about the measurement of deferred tax assets/liabilities included:

- Evaluating management's assessment on the sufficiency of future taxable profits in support of the recognition of deferred tax by comparing management's forecasts of future profits to historical results and evaluating the assumptions used in those forecasts;
- Obtaining the communications between the Bank and taxation authorities regarding tax positions; and
- Assessed the appropriateness and presentation of disclosures against IAS 12 Income Tax.

IT systems and controls

Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.

We conducted extensive testing to assess the design and operating effectiveness of the Bank's IT access controls over critical financial reporting systems. Our audit procedures included evaluating IT general controls, particularly focusing on logical access, change management, and IT operational controls.

Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring IT dependent and application-based controls are operating effectively.

We tested whether requests for access to systems were appropriately reviewed and authorized, ensuring that only authorized personnel had access to sensitive financial data. Additionally, we examined the Bank's periodic review process for access rights and assessed whether changes to systems were properly approved and authorized to prevent unauthorized modifications.

As part of our audit, we also evaluated the Bank's control environment concerning system interfaces, configurations, and application-layer controls that were identified as critical to financial reporting accuracy. Given the significance of IT application controls in ensuring the integrity of automated financial processes, we tested key application-based controls, including system-generated reports, automated journal entries, and validation mechanisms that support transaction processing. This involved assessing whether these automated controls were functioning as intended and whether their outputs were reliable for financial reporting purposes.

Furthermore, we performed detailed tests on IT general controls to assess the effectiveness of application development processes, database security, and hosting platform management. We also evaluated the segregation of incompatible duties relevant to application and database change management to determine whether adequate controls were in place to prevent unauthorized access or modifications.

Legal and regulatory matters

We focused on this area because the Bank and its subsidiaries (the "Group") operate in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict.

These uncertainties inherently affect the amount and timing of potential outflows with

We obtained an understanding, evaluated the design and tested the operational effectiveness of the Bank's key controls over the legal provision and contingencies process.

We enquired to those charged with governance to obtain their view on the status of all significant litigation and regulatory matters.

respect to the provisions which have been established as other contingent liabilities.

Overall, the legal provision represents the Group's and the Bank's best estimate for existing legal matters that have a probable and estimable impact on the Group's financial statement.

We enquired of the Bank's internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports.

We assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information.

We also assessed the Bank's provisions and contingent liabilities disclosure.

Other information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the consolidated and separate financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Bank in accordance with IFRSs as explained in note 2 and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 2020, the Bank Company Act 1991 (as amended up to date), the Financial Reporting Act 2015, and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibility section in forming the above opinion on the consolidated financial statements and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:
 - (a) internal audit, internal control and risk management arrangements of the Group as disclosed in the financial statements appeared to be materially adequate;
 - (b) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and its related entities (other than matters disclosed in these financial statements).
- (iii) the consolidated financial statements of the Bank include three subsidiaries, namely Trust Bank Securities Limited has been audited by Islam Quazi Shafique & Co., Chartered Accountants. Trust Bank Investment PLC has been audited by Shafiq Basak & Co. Chartered Accountants. and Trust Axiata Digital Limited was unaudited. The results of these subsidiaries, as per their financial statements (audited in the case of first two subsidiaries and unaudited in the case of the last one) made available to us by the Bank, have been reflected in the Group's consolidated financial statements from the financial statements of these subsidiaries as have been made available to us by the management of the Bank.
- (iv) in our opinion, proper books of account as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books;

- (v) the records and statements submitted by the branches have been properly maintained and consolidated in the financial statements;
- (vi) the consolidated balance sheet and consolidated profit and loss account together with the annexed notes dealt with by the report are in agreement with the books of account and returns;
- (vii) the expenditures incurred were for the purpose of the Bank's business for the year;
- (viii) the consolidated financial statements of the Group and the separate financial statements of the Bank have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank;
- (ix) adequate provisions have been made for advance and other assets which are in our opinion, doubtful of recovery;
- (x) the information and explanations required by us have been received and found satisfactory;
- (xi) we have reviewed over 80% of the risk weighted assets of the Bank and spent over 5,200 person hours; and
- (xii) Capital to Risk-weighted Asset Ratio (CRAR) as required by Bangladesh Bank has been maintained adequately during the year.

1.3 Islamic Banking activities

Islam is not only confined with Ibadat but also a complete guidance for human life. It tells us how to manage all activities of life in a sound and ethical way. Its completeness is described in Quranic verse; "This day I have perfected your religion for you, completed my blessing on you and approved Islam as the way of life for you" (Al-Maidah: 3).

It has guided the human being how to deal in financial transactions known as Mu'amalah. This Mu'amalah component defines the conduct of economic activities within the Islamic economic system and lays down the rules for business, commercial, financial, and banking systems.

Islam demands all economic activities including banking must run in accordance with the Islamic Shariah i.e. prohibition of interest from all transactions and dealing in businesses that are allowed (halal) in shariah. Islamic Banking has potential for earthly returns (earning profit) as well as reward in the Divine world (benefit in hereafter) by abiding the instructions of the Almighty Allah.

To ensure compliance of shariah guidelines, Islamic banking practices a strong documentary record keeping system eliminating all vagueness regarding business & responsibilities of the parties involved.

Trust Islamic Banking

Trust Bank is presently carrying out its Islamic banking operations through 30 (thirty) Islamic banking windows with the Brand name Trust Islamic Banking (TIB).

Shariah Compliance

To oversee the Shariah compliance of Islamic Banking operation of Trust Bank, TIB has an Internal Shariah Audit/Review team (Muraqib). Muraqib (Shariah Auditor) of Trust Bank (Islamic Banking) conducts shariah audit/inspection throughout the year to its Islamic Banking Windows as per Shariah Audit Plan (Calendar) approved by the Shariah Supervisory Committee.

In addition to the Shariah guidelines, Trust Islamic banking (TIB) strictly comply the Bangladesh Bank instructions regarding Islamic banking operations and adheres to the followings:

- Completely Separate Fund management—no mixing of fund with the conventional banking deposits of the Bank. Investments are made from the Islamic banking deposits only.
- Separate book-keeping, Profit & Loss Account by Islamic banking module of Bank's CBS.
- Profit sharing ratio (Depositor - Bank) is 65:35 for the year 2024.
- Profit distributions are executed as per approved weightage table.

1.5 SME and Green Banking Activities

SME Financing:

Cottage, Micro, Small and Medium Enterprises (CMSMEs) play a crucial role for economic development of any country. The contribution of SMEs is indispensable particularly for the developing countries like Bangladesh. SMEs help increasing national income, creating rapid employment thereby contributing towards eradication of extreme poverty and hunger, gender equality and women empowerment. Recognizing the fact, SMEs are termed as engine of economic growth.

In pursuance of Central Bank's policy initiatives, TBL formulated its SME banking policies in 2009 targeting the 'missing middle' (CMSMEs) with a view to bringing them into the formal financial folder through its 119 branch networks including 06 SME Service Centers and 08 Sub Branches located in different parts of the country. TBL is now among the forefront SME favored bank list. Trust Bank is reaching the SME customer segments through its tailored products to meet their credit demand. The Bank's SME exposure is well diversified covering the sectors like Power-loom, Handloom, Light Engineering, Handicrafts, Nakshi Kantha, Garments Accessories, Fisheries, Poultry and other Trading and Agro-business including Women Entrepreneurs.

Bangladesh Bank: As per Banking Regulation & Policy Department (BRPD) circular no. 14 dated 25 June 2003, investments in quoted shares and unquoted shares are revalued at the year end at market price and Net Assets Value (NAV) of last audited balance sheet, respectively. In addition to that Department of Off-site Supervision (DOS) of Bangladesh Bank vide its circular letter no. 03 dated 12 March 2015 directed that investment in mutual fund (closed end) will be revalued at lower of cost and (higher of market value and 85% of NAV). Provision should be made for any loss arising from diminution in value of investment, otherwise investments are recognized at cost.

iii) Revaluation gains/losses on government securities

IFRS: As per requirement of IFRS 9: Financial instruments, an entity shall classify financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- a) the entity's business model for managing the financial assets; and
- b) the contractual cash flow characteristics of the financial asset

Bangladesh Bank: According to DOS Circular 05 dated 26 May 2008 and subsequently clarification in DOS Circular 05 dated 28 January 2009, HFT securities are revalued on the basis of mark to market and at the year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognized in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortization of discount are recognized in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortized at the year end and gains or losses on amortization are recognized in other reserves as a part of equity.

iv) **Provision on loans and advances/investments**

IFRS: As per IFRS 9, an entity is required to create a credit loss allowance/impairment allowance on initial recognition of the financial asset through amortized cost or fair value through other comprehensive income to which impairment requirements apply. Expected credit losses are required to be measured through a loss allowance at an amount equal to the -

- (i) 12-month expected credit losses or
- (ii) lifetime expected credit losses.

An entity may continue to provide for 12-month expected credit losses if there is not a significant change in credit risk. If the credit risk increases significantly since initial recognition the 12-month expected credit impairment allowance is replaced by lifetime expected credit losses.

Bangladesh Bank: As per BRPD Circular 14 dated 23 September 2012, BRPD Circular no. 19 dated 27 December 2012, BRPD Circular no. 05 dated 29 May 2013, BRPD circular no. 16 dated 18 November 2014, BRPD Circular no. 16 dated 21 July 2020 and BRPD Circular no. 52 dated 20 October 2020, a general provision at 0.25% to 5% under different categories of unclassified loans (good/standard loans) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard loans, doubtful loans and bad & losses loans has to be provided at 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular No. 10 dated 18 September 2007 and BRPD circular no. 14 dated 23 September 2012, a general provision at 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in line with those prescribed by IFRS 9.

v) **Recognition of interest in suspense**

IFRS: Loans and advances to customers are generally classified as non-derivative financial assets measured at amortised cost as per IFRS 9 and interest income is recognised through effective interest rate method over the term of the loan. Once a loan is impaired, interest income is to be recognised in profit and loss account on the same basis on revised carrying amount.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012 and BRPD Circular no. 03 dated 21 April 2019, once a loan is classified, interest on such loans are not allowed to be recognized as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in the balance sheet.

vi) **Other comprehensive income**

IFRS: As per IAS 1: Presentation of financial statements, Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single Other Comprehensive Income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to be included in a single Other Comprehensive Income (OCI) Statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

vii) **REPO and Reverse REPO Transaction**

IFRS: As per IFRS 9, when an entity sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (REPO or stock lending), the arrangement is treated as a loan and the underlying asset continues to be recognized in the entity's financial statements. The difference between selling price and repurchase price will be treated as interest expense. Same rule applies to the opposite side of the transaction (Reverse REPO).

Bangladesh Bank: As per DOS Circular Letter no. 06 dated 15 July 2010 and subsequent clarification in DOS Circular No. 02 dated 23 January 2013, when a Bank sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (REPO or stock lending), the arrangement is accounted for as a normal sale transaction and the financial asset should be derecognized in the seller's book and recognized in the buyer's book.

viii) **Financial instruments – Presentation and disclosure**

In several cases Bangladesh Bank guidelines categorise, recognize, measure and present financial instruments differently from those prescribed in IFRS 7: Financial instruments - disclosure and IFRS 9 Financial instruments. As such full disclosure and presentation requirements of IFRS 7 cannot be made in the financial statements.

ix) **Financial guarantees**

IFRS: As per IFRS 9: Financial instruments, financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognized initially at their fair value minus the cost that are directly attributable to issue of the financial guarantee. After initial recognition, an issuer of such a guarantee shall subsequently measure it at higher of:

- the amount of the loss allowance and
- the amount initially recognized less, when appropriate, the cumulative amount of the income recognized.

Bangladesh Bank: As per BRPD 14 dated 25 June 2003, financial guarantees such as letter of credit, letter of guarantee will be treated as off-balance sheet items. No liability is recognized for the guarantee except the cash margin. 1% provision is maintained on such off-balance sheet items as per guidelines of Bangladesh Bank.

x) **Cash and cash equivalents**

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7: Statements of cash flows.

Bangladesh Bank: Some cash and cash equivalent items such as 'money at call and on short notice', treasury bills, Bangladesh Bank bills and prize bond are not shown as cash and cash equivalents. Money at call and on short notice presented on the face of the balance sheet, and treasury bills, prize bonds are shown in investments.

xi) **Non-banking assets**

IFRS: No indication of Non-banking asset is found in any IFRS.

Bangladesh Bank: As per Banking Regulation and Policy Department (BRPD) of Bangladesh Bank circular no. 14 dated 25 June 2003, there must exist a face item named Non-banking assets.

xii) **Cash Flow Statement**

IFRS: As per IAS 7, the cash flow statement can be prepared using either the direct method or the indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

Bangladesh Bank: As per BRPD 14, cash flow is the mixture of direct and indirect methods.

Balance with Bangladesh Bank (Cash Reserve Requirement)

IFRS: Balance with Bangladesh Bank should be treated as other assets as it is not available for use in day to day operations as per IAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

xiv) **Presentation of intangible asset**

IFRS: An intangible asset must be identified and recognized, and the disclosure must be given as per IAS 38.

Bangladesh Bank: There is no regulation for intangible assets in BRPD 14 dated 25 June 2003.

Off-balance sheet items

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement for disclosure of off-balance sheet items on the face of the balance sheet.

Bangladesh Bank: As per BRPD 14, off balance sheet items (e.g. Letter of credit, Letter of guarantee etc.) must be disclosed separately on the face of the balance sheet.

1vi) Loans and advances/Investments net of provision

IFRS: As per IFRS 9, Loans and advances/Investments should be presented net of provision.

Bangladesh Bank: As per BRPD 14 dated 25 June 2003, provision on loans and advances/investments are presented separately as liability and can not be netted off against loans and advances.

2.2 Basis of Consolidation

The consolidated financial statements include the financial statements of Trust Bank PLC and its subsidiaries - Trust Bank Investment PLC, Trust Bank Securities Limited and Trust Axiata Digital Limited made up to the end of the financial year. The consolidated financial statements have been prepared in accordance with IFRS 10.

2.3 Subsidiary

Subsidiary is that enterprise which is controlled by the Bank. Control exists when the Bank has the power, directly or indirectly, to govern the financial and operating policies of an enterprise from the date that control commences until the date that control ceases. The financial statements of subsidiary are included in the consolidated financial statements from the date that control effectively commences until the date that the control effectively ceases. Subsidiary companies are consolidated using the purchase method of accounting.

2.4 Use of estimates and judgments

The preparation of consolidated financial statements of the Bank requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

2.5 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by the entities.

2.6 Transactions eliminated on consolidation

All intra-group transactions, balances, income and expenses are eliminated on consolidation. Profit and loss resulting from transactions between Group are also eliminated on consolidation.

2.7 Foreign currency transaction

a) Foreign currency

Items included in the financial statements of each entity in the group are measured using the currency of the primary economic environment in which the entity operates i.e. the functional currency. The financial statements of the group and the Bank are presented in BDT which is the Bank's functional and presentation currency.

b) Foreign currencies translation

Foreign currency transactions are converted into equivalent BDT using the prevailing exchange rates on the dates of respective transactions as per IAS-21, "The Effects of Changes in Foreign Exchange Rates". Foreign currency balances held in US Dollar are converted into BDT at weighted average rate of inter-bank market as determined by Bangladesh Bank on the closing date of every month. Balances held in foreign currencies other than US Dollar are converted into equivalent US Dollar at buying rates of New York closing of the previous day and converted into equivalent BDT.

Assets & liabilities and income and expenses of Off-shore Banking Units have been converted into BDT currency @ US\$1 = Taka 120.00 (closing rate as at 31 December 2024) and @ US\$1 = Taka 115.00 (average rate as at 31 December 2024).

c) Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these financial statements are translated at rates mentioned in contracts. Contingent liabilities/commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in BDT terms at the rates of exchange prevailing on the balance sheet date.

d) Translation gains and losses

The resulting exchange transaction gains and losses are included in the profit and loss account, except those arising on the translation of net investment in foreign subsidiary.

e) Foreign operations

The results and financial position of the Group's operations whose functional currency is not Bangladeshi Taka are translated into Bangladeshi Taka as follows:

- i) Assets and liabilities are translated at the exchange rate prevailing at the balance sheet date.
- ii) Income and expenses in the income statement are translated at an average rate approximating the exchange rates at the year end;
- iii) Resulting exchange differences are recognized as a separate component of equity.
- iv) As per IAS 21, 'Foreign Currency Transactions' i.e. foreign currency denominated both monetary and non-monetary items of the OBUs are translated at historical rate because the OBUs are considered as an integral part of the Bank's operation not a foreign operation due to specific regulations governing the OBU and its unique nature.

f) Consolidation of Financial Statements of foreign operations

In Consolidation, foreign exchange differences arising from the translation of net investments in foreign entities, as well as any borrowings are taken into capital reserve. When a foreign operation is disposed of, such currency translation differences are recognized in the income statement as part of the gain or loss on disposal.

2.8 Reporting Period

These financial statements of the Bank and its subsidiaries cover the financial year from 01 January to 31 December 2024.

2.9 Events after the reporting period

All material events after the reporting period have been considered and appropriate adjustments/disclosures have been made in the financial statements as per IAS 10 Events after the reporting period. Board's recommendation for dividend distribution is a common item.

2.10 Cash Flow Statement

Cash Flow Statements has been prepared in accordance with International Accounting Standard (IAS) 7 "Cash Flow Statements" and under the guideline of Bangladesh Bank BRPD Circular no.14 dated 25 June 2003. The Statement shows the structure of changes in cash and cash equivalents during the financial year.

2.11 Statement of Changes in equity

The statement of changes in equity reflects information about the increase or decrease in net assets or wealth.

b) Other long term liabilities on the basis of their maturity term.

c) Provisions and other liabilities are on the basis of their payment adjustment schedule.

2.13 Taxation

The expense comprises current and deferred tax. Current tax and deferred tax is recognized in profit or loss except to the extent that it relates to a business combination or items recognized directly in equity.

2.13.1 Current Tax

In compliance with IAS-12 "Income Taxes", provision for current income tax has been made @ 32.50% on business income, @ 20% on dividend income and income from Perpetual Bond, @ 15% on capital gain on sale of Treasury Bills/Bonds and @ 10% on capital gain on sale of Shares, after considering some of the add backs to income and disallowances of expenditure as per Income Tax Act, 2023 (Formerly known as the Income Tax Ordinance 1984 and time to time amendments to issue different SROs and Circulars issued by the NBR).

2.13.2 Deferred taxation

Deferred tax liabilities are the amount of income taxes payable in future periods in respect of taxable temporary differences. Deferred tax assets are the amount of income taxes recoverable in future periods in respect of deductible temporary differences. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences arising between the carrying values of assets, liabilities, income and expenditure and their respective tax bases. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantially enacted at the balance sheet date. The impact on the account of changes in the deferred tax assets and liabilities has also been recognized in the profit and loss account as per IAS-12 "Income Taxes".

2.14 Provision and accrued expenses

In compliance with IAS-37, provisions and accrued expenses are recognized in the financial statements when the Bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

2.15 Provision for off-balance sheet exposures

As per BRPD circular no. 14 dated 23 September 2012 and BRPD circular no. 07, dated 21 June 2018, a general provision at 1% is required to be provided for all off-balance exposures except on 'bills for collection' and 'guarantees' where the counter guarantees have been issued by multilateral development bank (MDB)/ international bank having BB rating grade '1' equivalent outlined in the Guidelines on Risk Based Capital Adequacy (Revised Capital Framework for banks, in line with Basel-III).

2.16 Provision for Nostro accounts

The Bank is not required to maintain provision for Nostro accounts for the year 2024 in accordance with the guideline of Banking Regulation and Policy Department of Bangladesh Bank, BRPD Circular no. 04 dated 12 April 2023.

2.17 Assets and Basis of their valuation

2.17.1 Cash and cash equivalents

Cash and cash equivalents include notes and coins in hand, unrestricted balances held with Bangladesh Bank and highly liquid financial assets which are subject to insignificant risk of changes in their fair value, and are used by the Bank management for its short-term commitments.

2.17.2 Loans and advances / Investments

Loans and advances are formal and structured financial products with predefined terms for repayment, interest rates and tenure. Banks around the world function on the basis of funds and credit. As such Loans and advances are considered as the main elements of financial statements of the Bank. Major Income of the Bank is mainly generated from the interest of the loans and advances. So financial institutions are overly associated with the loans and advances in case of income generating. Basically financial institutions particularly Banks have extended their credit facilities to different sectors i.e. individual, enterprise and corporate bodies. From the very beginning Trust Bank PLC is maintaining the principles of lending along with an upstrend of Loans and advances in its financial statement by complying all the terms and condition of the Bangladesh Bank and other regulatory bindings.

2.17.2.1 Initiatives against Recovery of Classified Loans

R&MD is dedicated to maintain the quality of assets in close collaboration with divisions and branches to achieve optimal results. R&MD aggressively pursues willful defaulters and negotiates terms for amicable settlements while demonstrating sensitivity and responsiveness in addressing legitimate challenges. As part of NPL management, R&MD plays a pivotal role in releasing classified/written-off funds to the bank, as well as releasing interest suspense and unapplied interest. R&MD's outstanding performance is evident in its total cash recovery of Tk. 7,496.59 million in 2024, marking an impressive growth of 126.92% over the previous year. This includes recoveries of Tk. 7,407.07 million from classified loans and Tk. 89.52 million from written-offs loans.

2.17.3 Loan Classification and Provisioning

Practicing appropriate marking of loan classification and provisioning are the key activities of Credit Administration Division of Trust Bank PLC. Bank has to maintain adequate provision against each and every loan in a professional way complying with the latest rules and regulations given by Bangladesh Bank time to time. The management as well as Credit Administration Division of the bank always put highest attention in case of marking of loan as classified and remain vigilant to pursue new loans from being classified. Moreover, the activities of the Credit Administration Division of the bank includes to reduce overdue loans and required provision through exercising prudent decision from post sanction stage and trying to minimize the existing overdue liabilities by means of strong monitoring and compliance.

2.17.4 Provision for off balance sheet exposures

General provision for off balance sheet exposures has been made @ 1% on period end balance as per BRPD circular No.06 dated 23 April 2023. In case of letter of credit, the general provision will be 0.5%. Bank shall also maintain additional provision over the general provision in the following way:

OBS exposures remaining overdue for -	Additional provisioning requirement
01 (three) months or beyond but less than 12 (twelve) months.	1%
12 (twelve) or beyond but less than 24 (twenty-four) months.	2%
24 (twenty-four) months or beyond.	500%

In case of OBS exposure under litigation, banks have to maintain additional 5% provision over the provision requirement.

2.18 Investment in Government Securities

In a well-diversified financial system, fixed income securities play significant role. The available government debt instruments in our country are treasury bills and treasury bonds. Banks and financial institutions are the main participants of Investment in Government Securities. As per regulatory requirement, banking institutions in Bangladesh need to meet minimum SLR of 13 percent of average demand and time liabilities. In compliance with the Bangladesh Bank regulation, Trust Bank PLC maintained the required threshold throughout the year 2024.

By successfully managing the Held To Maturity (HTM) and Held For Trading (HFT) portfolio of the fixed income securities, Treasury Division contributed significantly in the bottom line of the bank by earning investment income and capital gain for the bank.

The valuation methods of investment used are as follows:

2.18.1 Held to Maturity (HTM):

- HTM securities include government securities acquired by banks with the intention to hold until maturity, such as Treasury Bonds and non-marketable securities eligible for Statutory Liquidity Reserve (SLR).
- The Head of Treasury makes decisions regarding HTM securities.
- Investment in HTM securities cannot exceed 120% of the bank's SLR requirement.
- HTM securities cannot typically be sold, except for up to 15% of HTM securities, which may be reclassified into the HFT portfolio once a year.
- Any gain or loss from the sale or reclassification of HTM securities is recorded in the profit and loss account.
- HTM securities are amortized at the end of the year, with the resulting gains or losses transferred to equity or profit and loss, respectively.

2.18.2 Held for Trading (HFT):

- HFT securities are acquired with the intention of trading them based on short-term price or interest rate movements. These include securities like Treasury Bills and Treasury Bonds with maturities of less than one year.
- HFT securities may be reclassified to HTM if they remain unsold for two years.
- HFT securities are marked to market weekly, with gains transferred to the revaluation reserve and losses booked in the profit and loss account.

Investment in listed securities

These securities are bought and held primarily for the purpose of selling them in future, or held for dividend income. These are reported at cost. Unrealized gains are not recognized in the profit and loss account. But provision for diminution in value of investment is provided in the financial statements where market price is below the cost price of investments as per Bangladesh Bank guideline.

Investment in unquoted securities

Investment in unlisted securities is reported at cost under cost method. Adjustment is given for any shortage of book value over cost for determining the carrying amount of investment in unlisted securities.

Investments in subsidiary

Investment in subsidiaries is accounted for under the cost method of accounting in the Bank's financial statements in accordance with the IFRS-10. Accordingly, investments in subsidiaries are stated in the Bank's balance sheet at cost, less impairment losses (if any).

2.19 Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation as per IAS-16 "Property, Plant and Equipment".

Depreciation is charged at the following rates per annum using reducing balance method on all fixed assets other than motor vehicles and office equipment, which are depreciated on straight-line method and no depreciation on land is charged.

Category of fixed assets	Rate
Land	Nil
Building	2.5% p.a.
Furniture & Fixtures	10% p.a.
Office Equipment	20% p.a.
Motor Vehicles	20% p.a.

Depreciation at the applicable rates is charged proportionately on additions made during the year from the date of their use and in case of sale up to the earlier of the date that asset is classified as held for sale in accordance with IFRS 5 and the date that the asset is derecognized.

Repairs and maintenance costs of fixed assets are charged to profit & loss account, when incurred.

2.20 Intangible assets

Intangible asset is an identifiable non-monetary asset without physical substance. An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the assets will flow to the entity and the cost of the asset can be measured reliably in accordance with IAS 38: "Intangible Assets".

Subsequent expenditure on intangible asset is capitalized only when it increases the future economic benefits embodied in the specific assets to which it relates. All other expenditure is expensed as incurred.

The software used by TBL represents the value of computer application software licensed for the use of the bank. Software is carried at cost less accumulated amortization and any impairment losses. Initial cost comprises license fees paid at the time of purchase and other directly attributable expenditure that are carried in customizing the software for its intended use. Software is amortized using the straight line method over the estimated useful life of 3 (three) years commencing from the month at which the application software is made available for use.

2.21 Impairment of Assets:

The policy for all assets or cash-generating units for the purpose of assessing such assets for impairment is as follows:

The Bank assesses at the end of each reporting period or more frequently if events or changes in circumstances indicate that the carrying value of an asset may be impaired, whether there is any indication that an asset may be impaired. If any such indication exists, or when an annual impairment testing for an asset is required, the bank makes an estimate of the asset's recoverable amount. When the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset or cash-generating unit is considered as impaired and is written down to its recoverable amount by debiting to profit & loss account.

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may be impaired.

2.22 Other assets

Other assets include all balance sheet accounts not covered specifically in other areas of the supervisory activity and such accounts may be quite insignificant in the overall financial condition of the Bank.

2.23 Non-Banking Assets

As on balance-sheet date, TBL has not arisen any Non-Banking Assets (liability from borrower to repay the loan/investments).

2.24 Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously. Advance tax paid and provision for tax of the bank is presented on net basis as a liability item if the liability is higher than asset and as an asset item if the asset is higher than liability.

2.25 Receivables

Receivables are recognized when there is a contractual right to receive cash or another financial asset from another entity.

2.26 Inventories

Inventories measured at the lower of cost and net realizable value.

2.27 Leases

IFRS 16 Leases, defines a lease as "A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration." In order to assess whether a contract conveys the right to control the use of an identified asset, an entity shall assess whether, throughout the period of use, the customer has both of the following:

- (a) the right to obtain substantially all of the economic benefits from use of the identified asset; and
- (b) the right to direct the use of the identified asset.

To apply the definition of a lease, the Bank assesses whether the contract meets two key evaluations:

- the contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Bank
- the Bank has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use. The Bank can obtain economic benefits from use of an asset directly or indirectly in many ways, such as by using, holding or sub-leasing the asset. The Bank also considers whether it has the right to direct "how and for what purpose" the asset is used throughout the period of use.

Measurement and recognition of leases as a lessee

Recognition:

At the commencement date, the Bank recognizes a right-of-use (ROU) asset and a lease liability.

Measurement:

Initially, the right-of-use asset is measured at cost, which is comprised of the following:

- (a) the amount of the initial measurement of the lease liability;
- (b) any lease payments made at or before the commencement date, less any lease incentives received;
- (c) any initial direct costs incurred by the Bank; and
- (d) an estimate of costs to be incurred by the Bank in dismantling and removing the underlying asset, restoring the site on which it is located.

After the commencement date, the Bank measures the right-of-use asset applying a cost model, unless other models are appropriate. To apply a cost model, the Bank measures the right-of-use asset at cost:

- (a) less any accumulated depreciation and any accumulated impairment losses; and
- (b) adjusted for any remeasurement of the lease liability.

At the commencement date, the Bank measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments is discounted using the interest rate implicit in the lease, if that rate can be readily determined or the Bank's incremental borrowing rate.

At the commencement date, the lease payments included in the measurement of the lease liability comprises the following payments for the right to use the underlying asset during the lease term that are not paid at the commencement date:

- (a) fixed payments less any lease incentives receivable;
- (b) variable lease payments;
- (c) amounts expected to be payable by the Bank under residual value guarantees;
- (d) the exercise price of a purchase option if the lessee is reasonably certain to exercise that option; and
- (e) payments of penalties for terminating the lease.

After the commencement date, the Bank measures the lease liability by:

- (a) increasing the carrying amount to reflect interest on the lease liability;
- (b) reducing the carrying amount to reflect the lease payments made; and
- (c) remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

The Bank has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognizing a right-of-use asset and lease liability, the payments in relation to these are recognized as rent expense in profit or loss.

Presentation:

- On the Balance Sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included other liabilities.
- On the Profit and Loss Account, interest expense on lease liability is included with interest paid on borrowings and depreciation on right of use assets is included with 'depreciation and repair of bank's assets'.

2.28 Share Capital

Ordinary shares are classified as equity when there is no contractual obligation to transfer cash or other financial assets.

2.28.1 Authorized Capital

Authorized capital is the maximum amount of share capital that the Bank is authorized by its Memorandum and Articles of Association. Details are shown in note 13.1.

2.28.2 Paid up Capital

Paid up capital represents total amount of shareholders' capital that has been paid in full by the ordinary shareholders. Holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to vote at shareholders' meetings. In the event of a winding-up of the Bank, ordinary shareholders are ranked after all other shareholders and creditors and are fully entitled to any residual proceeds of liquidation. Details are shown in note 13.2.

2.29 Statutory reserve

As per Banking Companies Act, the Bank requires to transfer 20% of its current year's profit before tax to statutory reserve until such reserve equals to its paid up capital. The Bank does comply with this requirement of law every year.

2.30 Bases for Valuation of Liabilities and Provisions

2.30.1 Retirement benefits to the employees

i) Provident fund

2.30.3 **Non-controlling interest in subsidiaries**

Non-Controlling Interest (NCI) in business is an accounting concept that refers to the portion of a subsidiary corporation's stock that is not owned by the parent corporation. The magnitude of the non-controlling interest in the subsidiary company is always less than 50% of outstanding shares, else the corporation would cease to be a subsidiary of the parent. Non-controlling interest belongs to other investors and is reported on the consolidated balance sheet of the owning company to reflect the claim on assets belonging to other, non-controlling shareholders. Also, non-controlling interest is reported on the consolidated income statement as a share of profit belonging to non-controlling shareholders.

2.31 **Revenue recognition**

i) **Interest income/Profit on TIB Investment**

In terms of the provisions of the IFRS-15 "Revenue from Contracts with Customers", the interest income is recognized on accrual basis. Interest on loans and advances ceases to be taken into income when such advances are classified. It is then kept in interest suspense in a memorandum account. Interest on classified advances is accounted for on a cash receipt basis.

ii) **Investment income/TIB Investment Income**

Income on investments is recognized on accrual basis except from Government Securities which are recognized on the basis of BRPD Circular 15 Dated 31 October 2005 issued by Bangladesh Bank.

iii) **Fees and commission income**

Fees and commission income arises on services provided by the Bank are recognized on a cash receipt basis. Commission charged to customers on letters of credit and letters of guarantee are credited to income at the time of effecting the transactions.

iv) **Dividend income**

Dividend income from investments is recognized at the time when it is declared, ascertained and right to receive the payment is established.

v) **Interest paid on borrowings and deposits**

Interest paid on borrowings and deposits are calculated on 360 days in a year and recognized on accrual basis.

vi) **Dividend payments**

Interim dividend is recognized when they are paid to shareholders. Final dividend is recognized when it is approved by the shareholders.

The proposed dividend for the year 2024 has not been recognized as a liability in the balance sheet in accordance with the IAS-10 - Events After the Reporting Period.

Dividend payable to the Bank's shareholders is recognized as a liability and deducted from the shareholders' equity in the period in which the shareholders' right to receive payment is established.

vii) Management and other expenses

Expenses incurred by the Bank are recognized on actual and accrual basis.

2.32 Reconciliation of inter-bank and inter-branch account

Accounts with regard to inter-bank (in Bangladesh and outside Bangladesh) are reconciled regularly and there are no material differences which may affect the financial statements significantly. Un-reconciled entries / balances in case of inter-branch transactions as on the reporting date are not material.

2.33 Risk Management

Risk management policy or process of Trust Bank encompasses risk appreciation based on the risk appetite for the particular sector/segment of the customers and subsequent risk identification, measurement and controlling of risk components to safeguard the interest of the bank and to keep the business portfolio performing to the maximum extent.

We always prioritize to ensure risk-return trade-off on all business transactions. The focus group as constituted by Bangladesh Bank has selected 06 core risks namely (a) Credit Risk (b) Asset liability/Balance sheet Risk (c) Foreign Exchange Risk (d) Internal control and compliance Risk (e) Money laundering Risk and (f) IT risk management in order to impart internationally accepted best practices in the Banking and Financial system. Banks as a financial intermediary(ies) are exposed to multidimensional risks but those risks are to be examined and quantified for acceptance in line with the risk appetite and credit policy of our bank.

2.33.1 Credit Risk Management

Banks provide high-quality financial services to contribute to the growth of the country by accelerating the pace of industrialization, stimulating trade, increasing exports, creating employment opportunities for the youth, alleviating poverty, improving the living standards of the low-income groups and overall sustainable socio-economic development of the country. In execution of the aforesaid activities of the Bank, Credit Operation of the bank is of paramount importance as the greatest share of total revenue of the Bank is generated from it, maximum risk is centered in it and even the existence of bank depends on prudent management of its credit portfolio.

The aim of credit risk management is to maximize a bank's risk-adjusted rate of return by maintaining credit risk exposure within acceptable levels. Banks need to manage the credit risk inherent in the entire portfolio as well as the risk in individual borrower transaction. The effective management of credit risk is a critical component of a comprehensive approach to risk management and essential to the long-term success of any banking organization.

To facilitate stronger risk governance, accountability and transparency, Trust Bank PLC has followed the core guidelines and other credit related circulars and instructions of Bangladesh Bank, Risk Management Guidelines for Banks, and the Risk Based Capital Adequacy Framework in line with Basel III. In line with the regulatory guidelines, TBL has also its own policy related with Credit Risk Management.

In response to changes in the regulatory environment and business dynamics, Trust Bank PLC intends to continue updating policies, procedures and risk assessment frameworks for effective management of potential risks.

Considering the prevailing economic conditions, Trust Bank delineates business strategy to navigate these diverse challenges to make its portfolio resilient to different risk scenarios. Bank is designing inclusive process through risk appetite with an objective to bring trade-off relationship between sustainable credit growth and NPL position.

Way Forward for 2025

Since NPL directly affects the profitability of the bank, reducing NPL is always the top priority of TBL. In addition to fostering healthy credit culture, outlook related with credit risk management should be-

Restructuring the Balance Sheet:

- Gradually reduce our dependency on corporate loans to diversify risk.
- However, clients with diversified export business and large corporations with strong balance sheet will be preferred.
- Enhance focus on Retail, SME, and Credit Card businesses.
- Enhancing loan portfolio in green finance, sustainable agriculture, sustainable cottage industries, micro, small, and medium enterprises, socially responsible financing, working capital, and demand loans for green products, projects, and initiatives, as well as priority green or eco-friendly products in the trading sector.

Recovery and Reduction of NPLs:

- Prioritize utmost effort in loan recovery to bring down Non-Performing Loans (NPLs) to below 4%.

Set up a comprehensive Approach for CRM:

- Enhance focus on diversification of our approach to ensure maintenance of existing good portfolio as well as profound emphasizes on minimizing defaulted loan/investment.
- Emphasis on sound portfolio management to include good accounts in our basket in line with our vision of building long term sustainable financial institutions.

1.33.2 Asset liability risk management

Asset Liability Management (ALM) plays an essential role in managing a bank's balance sheet risk. The Treasury Division primarily handles this responsibility through its Asset Liability Management (ALM) desk. However, major decisions regarding the balance sheet are made by the Asset Liability Management Committee (ALCO), which comprises senior bank management of the bank as per the Asset Liability Management guidelines of the Bangladesh Bank.

Trust Bank PLC has a dedicated Asset Liability Management Desk under the Treasury Division. The desk analyses the local and global market and macroeconomic developments, along with the financial activities of the bank, and disseminate the information to the Asset Liability Management Committee (ALCO) to support the decision making process.

ALM Desk has provided tremendous support during the last financial year by keeping the ALCO well-informed of critical changes in the market and supporting in pricing strategies of liabilities and assets. The Committee meets at least once in every month, as mandated by the regulator, to analyze recent local and global market outlook, major issues that may impact the existing interest rate, liquidity position and to decide on policies regarding interest rates, asset-liability mix, contingency plan etc.

Key objectives of ALM include:

- Effective management of the bank's balance sheet
- Growth in assets and liabilities
- Risk containment in a coherent manner
- Stability and consistency in earnings
- Profitability

ALCO ensures that all decisions regarding risk management and balance sheet strategy align with the bank's broader financial goals. The ALM desk supports these decisions by providing market research, liquidity analysis, and recommendations to guide effective investment and fund management strategies.

2.33.3 Foreign exchange risk management

Foreign exchange (FX) risk management involves the strategies and practices employed by financial institutions to minimize or control the risks arising from fluctuations in exchange rates between different currencies. As businesses frequently engage in international transactions involving multiple currencies, managing FX risk is essential for safeguarding profits and ensuring financial stability. Typically, a bank's Treasury Division is responsible for addressing the challenges associated with FX risk. This risk emerges from activities such as trading foreign currencies, extending foreign currency loans, or participating in transactions with foreign-issued securities used to raise or deploy funds.

The Bank has formulated and implemented Core Risk Guidelines of Bangladesh Bank and in addition to these, code of ethics, delegation of authority, different Product Policy Guidelines (PPG), circulars, Operational Manual etc. are implemented at the Bank from time to time. Besides, appropriate reporting line/organization structure has since been established within the bank.

Risk Assessment:

As per the Guidelines of Bangladesh Bank, Risk Management Division of TBL, HO is engaged in identifying the risks across the bank and analyzing the risks as a basis for determining how the risks should be managed. Besides, Executive Risk Management Committee (ERMC) and Board Risk Management Committee (BRMC) are discharging their responsibilities at supervisory level as per the regulatory guidelines of Bangladesh Bank with a view to ensure sound risk management function at TBL.

Information system:

Relevant and quality information necessary to support the functioning of internal control are being generated from the automated system of TBL, which are used by the Management of the Bank for well-informed decision making.

Control activities and segregation of duties:

Assignment of clear responsibilities, authorities and reporting system of the Bank is in place as per internal as well as regulatory policies/guidelines/circulars. Different types of controls namely,

- i) preventive controls (e.g. segregation of duties, internal check, physical control over assets, joint-signature requirements etc.),
- ii) detective controls (e.g. checking day-to-day transaction listing with vouchers, reconciliation of different heads of a/c's) and
- iii) corrective controls (e.g. data back-up, insurance etc.) are being practiced at TBL.

Monitoring/Overight:

During the year 2024, 10 nos. Board meetings, 06 nos. Audit Committee meetings, 43 nos. Executive Meetings and 08 nos. SMT meetings were held. Effectiveness of the Bank's internal control system is reviewed by the Board, Audit Committee and SMT. Reports on significant risks facing the Bank and how they are being managed are regularly placed before the Board for review and necessary directives. In addition, memos on major issues as mentioned in the internal and external inspection reports of Branches/Divisions are placed to the Audit Committee of the Board for review and directives. Besides, implementation of the directives of the Board/EC/AC/RMC and the decisions of SMT & various management-level committees are monitored regularly.

On the other, as third-line defense, IC&CD of the Bank has been established comprising three departments namely Audit & Inspection, Compliance and Monitoring and these departments have been functioning separately as per BB's Guidelines.

As per annual inspection plan approved by the ACB, Audit & Inspection department conducted internal comprehensive inspection at all Branches, HO Divisions and subsidiaries namely TBSL, TADL, TBIL and 25 nos. surprise inspection at different branches of the bank. In addition, 16 nos special inspection were conducted by them in the year 2024. Moreover, Bangladesh Bank conducted Comprehensive Inspection on core risks and 15 nos Branches of TBL including Head Office during the year 2024. Upon reviewing the functioning of the processes and procedures of Internal Control System of TBL, statutory auditors namely MABS J & Partners, Chartered Accountants also provided the management report. Compliance of the lapses as mentioned in those reports are followed-up by the Compliance department of IC&CD and most of that have since been rectified and the rest are in the process of rectification. Besides, all the tools of Internal Control Processes (DCFCL, QOR, LDCL, SAAFC) have been devised and implemented at TBL as per guidelines of Bangladesh Bank and these are monitored by the Monitoring Department of IC&CD.

Furthermore, sincere and combined efforts from the different divisions and committees would be continued for strengthening the internal control systems of the Bank in order to make it more effective as per the guidelines of Bangladesh Bank and other regulatory bodies.

2.33.5 Money Laundering & Terrorist Financing Risk Management

Trust Bank declared "Zero Tolerance" stand against Money Laundering and Terrorist Financing. The Board and senior management of the bank have given utmost priority to Anti-Money Laundering and Anti-Terrorism Program. To build a vigorous anti-money laundering and anti-terrorism program, TBL has a dedicated team working in "Anti-Money Laundering Division (AML/D)", headed by Deputy CAMLCO. Trust Bank also formed a Central Compliance Committee, headed by CAMLCO of the bank. At branch level BAMLCO is responsible to oversee the compliance activities related to Anti - Money Laundering & Combating Financing of Terrorism (AML & CFT).

AML/D has implemented an automated "Anti-Money Laundering" Software with the features of Sanction Screening, Transaction Monitoring, STR Reporting etc. for strengthening the compliance status of the bank.

To create awareness among all the employees Regional Training on AML & CFT is going on in different region as per approved training calendar. In the said training the following topics are focused-

- Laws, Rules, Regulations and Circulars related to prevention of money laundering and terrorist financing.
- AML Function and Compliance.
- Transaction Monitoring and STR reporting.
- Credit Backed Money Laundering
- Trade Based Money Laundering.

Trust Bank arranged an awareness program on AML & CFT for the members of Board of Directors and Senior Management, where the officials of BFTU were present and delivered their valuable opinion regarding the compliance status of TBL and necessary guidelines for further strengthening the AML & CFT compliance program of the bank.

Trust Bank seeks safeguard of the bank against money laundering and terrorist financing by applying internal policy, procedure and control through Training and Development, Compliance Function, Independent Audit and Customer Awareness Program.

2.33.6 IT risk management

The advancement of information and communicative technology (ICT) is given credit for the evolution of banking services. In particular, online banking. Information Technology (IT) Risk is a growing component of total operational Risk. As business increasingly depend on IT to automate processes and store information, IT Risk Management is emerging as a separate practice. IT includes security, availability, performance and compliance elements. IT Risk Management helps to reduce service costs and achieve greater compliance by effectively assessing classifying IT risk.

IT Risk management requires a disciplined approach that includes IT Risk awareness, quantification of business impacts, solution design and implementation across people, process, and technology, and creation of a sustained IT Risk Management program complete with performance measurement and a model for continuous improvement.

- Implementing new strategic initiatives

Since the automation of the Bank and centralization of information system, all the branches of the bank are connected to the Head Office IT department in Dhaka through a dedicated link and Disaster Recover site at Jessore. The infrastructure design is up to standard and completely secure.

2.33.7 Liquidity risk management

Liquidity refers to the ability of a bank to convert assets into cash without significantly affecting their value. Liquidity risk arises when a bank cannot meet its financial obligations as they come due, often due to insufficient liquidity or marketability of its investments.

Liquidity risk can take four forms:

1. **Term Liquidity Risk:** Arises from mismatches in maturities between assets and liabilities.
2. **Withdrawal/Call Risk:** Occurs when large withdrawals or calls are made before maturity.
3. **Structural Liquidity Risk:** Happens when funding transactions cannot be carried out, or only at unfavorable terms.
4. **Market Liquidity Risk:** Results from the inability to buy or sell assets quickly at a reasonable price.

Liquidity risk management is critical, as a liquidity shortfall at a single institution can affect the entire financial system. A robust liquidity management framework is necessary to ensure the bank maintains enough liquidity to withstand stress events. Key ratios such as the Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR), as outlined in Basel III, are used to assess and manage liquidity risk.

2.34 Interest rate risk management

Interest rate risk refers to the potential for adverse effects on a bank's financial standing due to fluctuations in interest rates. While banks typically embrace this risk as a source of profitability, excessive exposure can jeopardize earnings and capital.

Changes in interest rates affect both the bank's Net Interest Income (NII) and the value of its assets and liabilities, as well as off-balance-sheet items. Managing interest rate risk is essential for the stability and safety of the bank, and requires a detailed understanding of exposure and potential outcomes.

Banks use various tools to manage interest rate risk, including repricing schedules and simulation approaches. A combination of these techniques is typically employed to gain a comprehensive understanding of interest rate risk and mitigate its impact.

2.35 Operation risk management

Operational Risk is the risk of direct or indirect loss arising from a wide variety of causes associated with the Bank's involvement with financial instruments, including processes, personnel, technology and infrastructure and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of corporate behavior.

Operational Risk Management is a continuous process that includes risk assessment, risk decision making, and implementation of risk controls, which results in acceptance, mitigation, or avoidance of risk. The Bank's operational risk management focuses on proactive measures in order to ensure business continuity as well as the accuracy of information used internally and reported externally, competent and well-informed staff and its adherence to established rules and procedures as well as on security arrangements to protect the physical and ICT infrastructure of the Bank.

2.36 Wilful Defaulters

2.37 Basel-III Activities

"Basel III: A global regulatory framework for more resilient banks and banking systems" was introduced in Bangladesh in 2015 to improve the banking sector's ability to absorb shocks arising from financial and economic stress. As such, Bangladesh Bank issued 'Guidelines on Risk Based Capital Adequacy (RBCA) for banks with effect from January, 2015. The Basel-III rules on capital consist of measures on improving the quality, consistency and transparency of capital, enhancing risk coverage, introducing a supplementary leverage ratio and promoting counter-cyclical buffers and addressing systemic risk and interconnectedness.

In 2021, the Bank is required to maintain minimum Common Equity Tier-1 (CET-1) capital ratio of 4.50%, capital conservation buffer 2.50%, minimum CET-1 plus conservation buffer of 7.00%, minimum Tier-1 capital ratio of 6.00%, minimum total capital ratio 10.00% and minimum total capital plus capital conservation buffer 12.50%.

Pillar-I: Minimum Capital Requirement

In order to calculate Minimum Capital Requirement and Capital to Risk-weighted Asset Ratio (CRAR), bank is required to calculate its Risk Weighted Assets (RWA) on the basis of credit, market, and operational risks of bank. Trust Bank Ltd. has adopted the following measurement approaches for computing its Minimum Capital Requirement:

- Standardized Approach for Credit Risk
- Basic Indicator Approach for Operational Risk, and
- Standardized Approach for Market Risk

Pillar-II: Supervisory Review Process (SRP)

The Supervisory Review Process (the Second Pillar of Basel-III) is intended to ensure that banks have adequate capital to support all the risks in the business and, concurrently, to encourage banks to develop and utilize superior risk management techniques in monitoring and managing risks. In compliance with the Pillar-II guidelines of the Bangladesh Bank under Basel-III framework, Trust Bank Ltd. has formulated its own Internal Capital Adequacy Assessment Process (ICAAP) Policy to assess various risks that it is exposed to. The assessment of adequate capital would be the outcome of the dialogue to be held between the SRP team of Bank and SREP team of Bangladesh Bank.

Following risks are assessed for Adequate Capital Requirement under Pillar II as per ICAAP Policy of the Bank:

- Residual Risk
- Concentration Risk
- Liquidity Risk
- Reputation Risk
- Strategic Risk
- Settlement Risk
- Evaluation of Core Risk Management
- Environmental & Climate Change Risk
- Other Material Risks

Pillar-III: Market Discipline

The purpose of market discipline is to establish transparency and discipline in the financial markets so that stakeholders can assess the position of a bank with respect to the assets held by it as well as to identify the risks relating to these assets and the capital adequacy to meet probable losses. For this purpose, banks have to develop a set of disclosures containing information on the assets, risk exposures, risk assessment processes and the capital adequacy to meet the risks. The Pillar- III Disclosures are published on a yearly basis which is available in the official website and Annual Report of the bank.

2.38 Going concern

It is visible that many of the financial and non-financial organizations have closed down their operation from different part of the world. But in our country Government has taken some effective initiatives immediately like declaration different stimulus packages for different sectors. Hence, our overall economy has stood in a steady position. Moreover, the Management of the Bank has cautiously formulated business strategies in consideration with COVID-19 induced challenges and implemented the same for building the Bank more resilient. Therefore, any material uncertainty has not been posed due to the impacts of the COVID-19 that may cast significant doubt on Bank's ability to continue as a going concern.

The COVID-19 pandemic has not significantly impacted the Bank's income. The Bank has adequate resources to continue in operation and to meet financial commitments as they fall due for the foreseeable future. For this reason, the management continues to adopt going concern basis in preparing the financial statements.

2.39 Earnings per share (EPS)

Basic earnings per share

Basic earnings per share has been calculated in accordance with IAS 33 "Earnings per Share" which has been shown on the face of the profit and loss account. This has been calculated by dividing the basic earnings by the weighted average number of ordinary shares outstanding during the year.

Diluted earnings per share

Diluted earnings per share is not required to be calculated for the year as there was no scope for dilution during the year under review.

2.40 Non controlling interest

Non controlling interest is that portion of the profit or loss and net assets of the subsidiary (Trust Bank Investment PLC) attributable to equity interests that are not owned, directly or indirectly through subsidiary, by the Parent (Trust Bank PLC).

2.41 Compliance of International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS)

The Institute of Chartered Accountants of Bangladesh (ICAB) is the sole authority for adoption of Bangladesh Accounting Standards (IAS) and Bangladesh Financial Reporting Standards (IFRS) in context of Bangladesh from the standards adopted by International Federation of Accountants Committee (IFAC) as International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS). 3.3 Cash Reserve Ratio (CRR) and Statutory Liquidity Ratio (SLR)

Cash Reserve Requirement (CRR) and Statutory Liquidity Ratio (SLR) have been calculated and maintained in accordance with the Section 33 of the Banking Companies Act 1991 (as amended up to 2023), DOS circular nos. 01 dated 19 January 2014, DOS Circular Letter No. 26 dated August 19, 2019, BRPD Circular 31 dated June 18, 2020 and MPD circular no. 03 dated 09 April 2020.

All scheduled banks in Bangladesh (including Shariah based banks) are required to maintain 4.00 (four) percent CRR with Bangladesh Bank on bi-weekly average basis with a provision of minimum 3.50 (three and a half) percent on daily basis of their average total demand and time liabilities (ATDTL) of the month earlier of the previous month and Statutory Liquidity Ratio (SLR) required to be maintained by the conventional banks on daily basis shall not be less than 13.00 (thirteen) percent including the excess amount of Cash Reserve Requirement (CRR) of their average total time and demand liabilities in Bangladesh, and for Shariah-based Islamic Banks this amount shall not be less than 5.50 (five and a half) percent. Both reserves maintained during the year by the Bank are in excess of the statutory requirements.

The position of CRR and SLR as on 31 December 2024 is shown below:

3.3.1 Cash Reserve Ratio (CRR)

3.3.1.1 Conventional (Including Offshore) Banking

The recognition and measurement policy of fixed assets including Right of use (RoU) assets are described in Note 2.19 and Note 2.27

8.1 Right-of-use assets:

The Bank has leased assets mainly for Head Office/Branch Office Buildings. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. The Bank classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

Securities as well as @ 10% of Capital gain from sale of Shares made by the Bank during the year after considering some of the add backs to income and disallowances of expenditure as per Income Tax Act and Rules, 2023.

The Bank has challenged some disputed income tax assessments which are pending at various appeal stages (i.e. Appellate Tribunal, High Court Division). The Bank is confident that once these appeals are finally disposed off, there should not be any additional tax demand against the Bank and hence no further provision is required.

Islamic Banking is a trade-based mode of banking where compliance of Sharia guidelines is the precondition for its legitimacy. In addition to the prohibition of interest and classification of business activities between lawful (halal) and un-lawful (haram), Sharia also provides guidelines of business process and transaction. Any income generated from trading or investments without conforming to these Sharia instructions are considered un-lawful and termed as "doubtful income" in the terminology of Islamic Banking.

However, since the "Doubtful Income" is not an "income" - as such the nomenclature has been already been changed as "Compensation" instead of "Doubtful Income".

Investments which have 'fixed or determinable payments', and are intended to be 'held to maturity' other than those which are floating and/or free to trade in the market at prevailing prices are classified as held to maturity and must be amortized at the end of the year before maturity. Investments classified in the category of 'Held for Trading' are held indeed selling or purchasing - in short-trading as decided by the management of the bank or treasury. After initial recognition, investments of such category are measured at their fair value once in a week. The increase in case of amortization of investment under 'Held to maturity' and any change in the fair value in case of investment under 'Held for Trading' is to be accounted for in the Statement of changes in Equity under the head Other Reserve as Surplus/Deficit on revaluation of investment.

While implementing IFRS 16 Leases, the Bank recorded interest expense on lease liabilities and depreciation on right of use assets instead of charging rental expense against those rental premises that have been treated as right of use assets and presented in the balance sheet under IFRS 16.

- 26.2 According to BRPD Circular Letter No. 28 dated 26 July 2022 and BRPD Circular Letter No. 30 dated 27 July 2022, the Bank has taken necessary initiatives such as maintenance of Office hour strictly, rationalizing the uses of electricity and air-conditioning, maximum uses of documents on digital format etc. in order to reduce its expenditure on fuel, electricity, entertainment, travelling, computer & computer accessories, electric equipment, furniture and other stationaries. To comply with the above instructions, actual expenses have been monitored on regular basis to track the savings achieved. These initiatives have resulted in the reduction in quantity (i.e. Usages). However, due to the increase of cost per unit as well as other factors like uses of generator fuel due to load shedding etc., actual reduction of such expenses in monetary terms may be different.

■ **RATIONALE**

Credit Rating Agency of Bangladesh Limited (CRAB) has assigned the long-term rating of Trust Bank's issue of TBL Fully Redeemable Non-Convertible Unsecured Subordinated Bond-VIII (BDT 5,000.0 million) at "AA₂(Hyb)" (pronounced Double A Two hybrid), in line with CRAB's standard notching practices. The rating outlook is stable, reflecting the outlook on the issuer. CRAB performed the rating based on updated financial statements, past trend and other relevant information up to the date of rating declaration. The rating of the Bond includes "Hyb" as the subordinated bond has been structured for Tier 2 own fund eligibility according to BB regulation, thus combines both debt and equity characteristics. The rating outlook is stable, reflecting the outlook of the issuer.

CRAB performed the rating based on audited financial statements as of 31 December 2024 and other relevant information up to the date of rating declaration. The BDT 5,000.0 million unsecured, non-convertible, redeemable, floating Rate, subordinated Bond will be issued to strengthen TBPLC's capital base (Tier II Regulatory Capital Raising)

in line with the Basel III framework. The redemption of principal of the Bonds will be started from 3rd year and final maturity of the Bond will be at the end of seventh year of the Bonds from the Issue Date. Coupon rate will be latest average of the highest 6-months' FDR rate of all private commercial banks (excluding all the foreign, Islamic, 4th generation & 5th generation Banks) as available by any regular publication of Bangladesh Bank website on the Quotation Day plus margin 3.0% p.a. (subject to market condition and regulatory approvals).

The bond rating reflects the issuer's (TBPLC) strength in good asset quality with relatively lower large loan concentration, better funding position, adequate capitalization, efficiency in terms of cost to income ratio as well as diverse earnings profile.

■ INTEREST RATE RISK OF THE BOND

The purpose of issuance of the bond was mainly to increase its Tier 2 capital and hence the overall CRAR of the Bank. CRAR of the issuer, Trust Bank PLC stood at 13.2% at the end of 2024 (Dec'23: 13.8%). The coupon rate of the Bank will be determined as latest average of the highest 6 months TDR rate of all private commercial banks (excluding all the foreign, Islamic, 4th generation & 3rd generation banks) as available by any regular publication or Bangladeshi Bank website on the Quotation Day plus margin 1.0% p.a. subject to market condition and regulatory approvals. Therefore, coupon rate of the bond will be affected by interest rate movement of the money market considering the long term nature of the bond. On an average, rate of interest for 6 months FDR in PCB has an increasing trend during the recent period as well as interest rate in the money market has an increasing trend during the recent period compared to previous year due to withdrawal of interest rate caps, imposed by central bank.

The maturity wise interest sensitive asset and liabilities and thereby the exposures to interest rate risk of the Bank. The Bank had asset sensitive positions in all maturity buckets up to 6 months. Gap indicates that the Bank will suffer on increasing interest rates and will benefit on decreasing interest rate scenario marginally. For 1 percentage point interest rate increase the Bank will lose BDT 13.6 million and will lose the same amount for 1 percentage point interest rate decrease.

Loan Profile and Loan Quality:

The Bank's total loan portfolio increased to BDT 378,241.5 million in 2024 from BDT 332,703.6 million in 2023 registering 13.7% growth. The Bank's loan segregation based on loan type remained almost same for the last couple of years having strongly dominated by corporate loan which increased further in 2024. Gross NPL (in absolute amount) increased to BDT 24,052.6 million at the end of 2024 from BDT 20,215.31 million in 2023. As an overall effect, gross NPL ratio increased substantially and reached 6.4% at the end of 2024 (6.1% in 2023). Among total classified loans in 2024, 52.5% came from bad & loss category followed by substandard category (17.8% of total) and doubtful category (9.7%).

Because of a consistent focus on corporate lending, the Bank has had substantial large loan concentration since its inception. There was improvement in large loan concentration during the recent years. However, the Bank anticipated that asset quality of retail and SME loans may deteriorated due to COVID-19 aftermath, therefore increased focus in growth of corporate clients during the recent period which resulted in 74.9% concentration. The Bank's top 28 outstanding large loan exposures (funded and non-funded) amounted to BDT 182,438.3 million against approved facilities of BDT 225,619.0 million. The Bank's top 28 loans and advances to total loans stood at 48.2% in 2024. As on December 31, 2024 all 28 large loans were unclassified as per given data.

On the onset of COVID-19 pandemic, Government decided to support the financial institutions as well as borrowers and declared loan moratorium up to December 2020. Therefore, no fresh NPL generation was reported for the 2020. After withdrawal of loan moratorium, fresh NPL (in absolute amount) soared to BDT 4,907.6 million during 2021 which further increased substantially by BDT 10,613.9 million in 2022. In line with the same, the fresh NPL (in absolute amount) has further deteriorated to BDT 18,209.5 in 2023. However, during the surveillance period, Trust Bank PLC generated BDT 12,341.8 million fresh NPL which is 12.2% lower than previous year. Although the Bank written off only BDT 1,051.8 million loans in 2024 substantial amount of loan rescheduling (BDT 5,757.8 million) resulted in 4.7% increase in gross NPL irrespective of substantial increase in fresh NPL. The gross NPL further increased substantially in 2024 following the fresh NPL generation of BDT 12,341.8 million during the same period irrespective of written off loans. NPL in Trade & Commerce, RMG and Food & allied sectors mainly resulted such a high gross NPL of the Bank in 2024.

Following the stability in investment assets, investment income of the Bank significantly increased to BDT 8,877.9 million although growth in investment income was comparatively high due to increased yield in Government securities. On the other hand, fees & commission & exchange income declined to BDT 2,420.1 million in 2024 from BDT 2,507.5 million in 2023 on the back of slowdown of foreign currency dealing and import. Other operating income was BDT 767.0 million in 2024 which includes miscellaneous income, service charges etc. As an overall effect, total operating income reached BDT 20,643.9 million in 2024 registering growth of 16.1%.

As an effect of higher provision expense for tax, lower growth of revenue from core business and high growth of operating expense resulted in lower bottom line profit of the Bank. Net interest margin of Trust Bank declined to 2.3% in 2024. ROAA and ROAE deteriorated in 2024. Pre-provision profit (PPP) to net loans was 3.7% in 2024 which indicates that 3.7% of currently performing loans can be written off without charging on reserves and equity. Net profit margin stood at 18.4% in 2024. Profitability of the Bank in respect of risk return perspective was still low at 1.2% in 2024.
